Families participating in this workshop will:
- Develop an understanding of autism and how an ASD impacts upon learning and behaviour
- Learn how to be proactive by creating an autism friendly environment at home
- Learn how to write an autism specific behaviour support plan for one of their child’s behaviours
- Learn how to write a plan to respond confidently when challenging behaviour occurs
- Learn how to teach new skills to promote their child’s independence and quality of life

What participants say about Aspect Positive Behaviour Support Workshops:

"Brilliant information and concrete strategies to use, thank you. I have learnt very important self-reflection, being able to step back and really look at and examine behaviour, so valuable. I really value the focus on being positive and improving my child’s, my own and my family’s quality of life. Great workshop – I will highly recommend it to others."

"Fantastic presentation. Very interactive, affirming & capacity building. Ideas not just discussed but taught how to follow through on."
