Principal’s Report

EMPOWERMENT

I came away from this week’s assembly so heartened yet again by our wonderful students and the school’s purposeful journey to empower them as future global citizens.

In particular, I refer to Madeleine from Year One who took it upon herself to make a presentation at this week’s assembly. Firstly, I couldn’t help but admire the courage of a seven year old girl to willingly get up in front of around 750 children and adults to make a presentation.

Madeleine has been learning about habitats this term as part of the Year 1 and 2 Shared Inquiry. As a springboard from this classroom work, Madeleine explored the topic of whales. In an effort to ‘make a difference’ and support the protection of whales, Madeleine decided that money needed to be raised for the Sea Shepherd so that this organisation could further their work on this matter. At assembly, Madeleine confidently presented her study of whales to everyone and then explained how a gold coin donation would be collected on Wednesday and her mum would help her to organise the money so that it could be forwarded to this organisation.

My point in sharing this story in this week’s Newsletter, is not so much in support of the whales, but more to do with a seven year old girl who saw a need to make a difference in the world and then came up with her own plan to make this happen!

Imagine if we could confidently empower all of our students to feel that through their actions, they contribute to a better future for themselves and others! This sentiment echoes beautifully with our school purpose statement:

‘WNPS is a dynamic and inclusive learning community that promotes personal excellence, creativity and empowerment.’

I commend the work of all of our students through their Shared Inquiry investigations, as they increasingly act locally and think globally. As we aware, knowledge is increasingly easy to find; it’s how we use our knowledge as 21st Century learners that is important. Food for thought!

MI YEAR REPORTS

Midyear student reports will be distributed to all students on Thursday 27th June. Hopefully you won’t find these squashed in the bottom of the school bags! Wendy and I have enjoyed reading about the achievements and challenges of all of our students. We are so fortunate to be part of a learning community whereby students
have such a positive orientation towards their learning. I commend the hard work of our teachers who have spent many hours in collating these student reports to ensure you have a clear picture of your child’s progress during first semester.

As previously mentioned, you will note that the comments on the reports are more succinct but increasingly personalised for each student. Teachers have referred to specific pieces of work completed by each student and then shared the skills demonstrated through each work sample. We have also worked hard to ensure that the reports are clear for parents; free of educational jargon and easy to understand. I hope you enjoy sitting with your child and celebrating their achievements tomorrow after school.

Please note that we have been unable to provide a Performing Arts assessment this semester as a result of an extended illness. We are delighted that Fran McCormick (Performing Arts teacher) has returned from illness this week.

Midyear reports will be followed up with P/T/S conferences on Monday 22nd and Tuesday 23rd July from 2:30 – 6.45pm each day. Information for booking your preferred conference times will be forwarded early next term.

SCHOOL PHOTOS
School photos were distributed to all students on Tuesday 25th June. We hope that you are pleased with the quality and presentation of this year’s photos. House Captains, Junior School Council and Ambassadors Photos for 2013 will be on display at the office for any parents wishing to place orders. The cost for purchasing these photos is $16.00 and payment will need to be received when placing your order. Orders need to be placed by Friday 19th July 2013. Families that did not receive their photos, and paid via credit card, please contact the office.

THANK YOU JO GUMLEY
On behalf of the school community, I would like to take this opportunity to sincerely thank one of our amazing parents, Jo Gumley, for all of the work she has contributed to the school with Julie Noonan to further establish our class rep program for parents this year. Jo and Julie have worked tirelessly behind the scenes to ensure a heightened degree of connectedness amongst parents with the regular eNews snippets. We will be sad to see the Gumley’s leave us at the end of this week.

LONG SERVICE LEAVE
We have several teachers who will be taking some well-earned long service leave next term. We wish them well for their extended break:

Virginia Irvine: 15th – 19th July
Fran McCormick: 15th – 26th July
Robyn Law: 22nd July – 7th August

PARKING REQUEST
As an ongoing request, we ask that parents who are walking into the grounds at either drop off or pick up time, park away from the school so that parents who are remaining in cars for a quick drop off or pick up, can do so a little closer to the school. We understand the ongoing frustration on the parking matter, however we all need to work together to ensure that student is not compromised at any time. The last thing we want to see are instances of double parking close to the school and students trying to navigate their way into school through several cars. I thank you in anticipation of your support on this important matter.

SCHOOL HOLIDAYS
All students will be dismissed early this Friday 28th June to begin their midyear break. Students will be dismissed from assembly in the Gym at 2:30pm.

School will resume for the start of Term 3 on Monday 15th July.

How wonderful it will be to snuggle up a little longer on these cold mornings over the next couple of weeks. Best wishes for a relaxing and restorative break for students, staff and parents.

SUMMARY OF CLASS REPS PROGRAM
With the last E-news for the term published this week, it is timely to reflect on the enormous success of The Class Representatives Program, established in January this year to enhance communication between parents and teachers.

With over 90% of the entire school community involved in the Program, over 40 enthusiastic Class Rep’s, a class E-news program in place and numerous social functions organised, the feedback has been extremely positive.

I would like to take this opportunity to thank our Class Representatives and teachers, all of whom have embraced this new Program so enthusiastically.

Reminder: We must continue to be mindful of the privacy of our parents, by ensuring the Class Contact List is not used by parents to ‘blanket email’ the parents in their class with information or issues they would like to raise. If you have information you feel would benefit your class, please send to your Class Representative first. They will then advise the best method for sharing that information.

Enjoy your Week!

Helping kids unwind

Nothing wrong with kids being busy as long as they have plenty of chances to relax and unwind.

Modern kids are busy kids. Regardless of age, their days are filled with activities.
Under 5s do a range of adult-initiated learning activities designed to give them the best start to their learning lives.
School-aged kids have a huge range of leisure and after-school activities to choose from. It is not uncommon for kids to have four and five extra-curricular activities a week.
Nothing wrong with kids being busy as long as they have plenty of chances to relax and unwind.
Relaxation is a key to good mental health and well-being. It is an important life skill for kids to learn.

Balance busyness with boredom
One way to ensure busy kids unwind is to make sure kids get bored every so often.
There is a temptation to fill kids’ days with activities so that no time is wasted.
“I’m bored!” is the last thing most parents want to hear their kids say. Many parents feel compelled to do something to alleviate a child’s boredom.
There is nothing wrong with a little boredom now and then. Boredom can be good for kids’ mental health and well-being, giving them the chance to muck around and take it easy for a time.

Here are 5 ideas to help you unwind your kids:

1. Let your kids regularly stare into the fire.
   Ever sit around a campfire and stared at the flames? If so, you will know how calming it is. No exertion! No need to think! No need to talk to anyone! Just a chance to chill-out and relax. The TV is the modern version of the campfire. Yep, TV used in this way is good for kids’ mental health.

2. Let kids exercise without rules.
   Kids are the kings and queens of play. Always have been. Until lately that is, when their lives have become highly organised and scheduled. Free, child-initiated play is the ultimate in relaxation. Fun games, games with few rules and games that kids control help them to unwind.

3. Let kids experience flow.
   Flow is a state we get into when we are so engrossed in an activity that time disappears. It is the ultimate unwind. We get flow when

we pursue our passions so encourage teens to find activities that they truly love and get lost in. Free play generally takes young children to flow very quickly so opportunities for unstructured play are essential.

4. Help kids calm down around bedtime.
   Have a bedtime routine that calms kids down rather than winds them up. You can become part of this routine by reading books, telling nursery rhymes, providing soothing back rubs and other ways.

5. Unwind with your kids.
   When I was young the best times I had with my dad were spent in the backyard playing cricket. Sounds like a cliché I know. It was fun because it was never a chore for him. He loved it as it was a chance for him to unwind after work. Find ways you can unwind and rejuvenate with your kids.

We want our kids to be busy and involved rather than inactive and apathetic. However, activity needs to be balanced with unscheduled time so that perspective as well as everyone’s sanity is maintained.

**Fresh Fruit Friday (FFF)**

Due to the last day of Term, there will be no Fresh Fruit Friday this Friday 28th June. Thank you to all the parents that assisted with Fresh Fruit Friday this Term. It is lovely to smell the aroma coming from the staff room every Friday morning.

If you are able to help out weekly, fortnightly or monthly, please contact Linda Taylor at, taylor.linda.11@edumail.vic.gov.au. This is a very happy and social group.

---

**Canteen**

Julieanne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julieanne can be contacted via the General Office. New parents or family members are always needed, so, if you can spare any of your valuable time, it would be greatly appreciated.

---

**School Banking**

School banking day is Wednesday. Don’t forget to send in your child’s bank book.

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps, you must have a Working With Children Card. Please note that these forms are available from any Australia Post office if you are wishing to apply for a check (note the forms are no longer available from the school). If you have a WWCC provide it to the office staff to be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the second group of our parents who received their WWCC in 2008, will need to renew their WWCC in 2013. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**
In Term 2, the Year 1 & 2 children have been making some great links with their classroom Shared Inquiry on Habitats by learning the names of some animals and habitats in Japanese. They children then worked very hard to link these words to make Japanese sentences about their favourite animals. We used “Word Magnets” on the Interactive White Board to help us learn a basic sentence pattern, which the children then used to make a sentence about their chosen animal. The children especially loved creating their own umi (sea) habitat with origami fish and whales inside. They finished it off with a Japanese sentence about the fish, and most children challenged themselves to write the Hiragana version as well – very impressive! It was a very productive and fun term. Well done, everyone!
