**YEAR 3/4 CAMP – ANGLESEA**

Our Year 3 and 4 students enjoyed a wonderful camping program from Monday 9th – Friday 13th September at Anglesea Recreational Camp.

Year 3 students left on Monday 9th and returned on Wednesday 11th September, whilst the year four students arrived on the Wednesday 11th and returned Friday 13th September. The weather conditions were generally very cool for the entire week, but students were still able to participate in all scheduled activities throughout the week. Students rotated through activities such as the giant swing, photo find, volleyball, skateboarding, ropes course, mountain biking and general games.

On behalf of all of the students, I would like to take this opportunity to thank the following staff and parents who supported the two camping programs;

Year 3 Camp; School Staff - Jamie Peters, Crissy Samaras, Wendy Drayton, Tess Holland, Lewis Bainbridge & Belinda Gill. Parents – Nick Mastos, Warren McDonald, Rebecca Borg & Petra Ramsay.

Year 4 Camp; School Staff – Jamie Peters, Giorgia Moss, Ana Milnes, James Ritchie, Dean Pearce & Belinda Gill. Parents – Dale Hogan, Shane Graham & Craig Fraser.

Particular thanks to Jamie Peters & Belinda Gill who stayed for the whole week to support both camps and to Dean Pearce who stepped in at the very last moment to replace Chrissie Van Nieuwkuyk (broken wrist).

Congratulations to Jamie Peters on his meticulous organisation of the camp; everything ran so smoothly and our students were able to participate in a highly engaging camping program as a result of Jamie’s extensive planning.
National Data Collection

Williamstown North Primary School has been selected to participate in the Nationally Consistent Collection of Data on School Students with Disability (Data Collection). This is the first year of national implementation, which will be from 2013 to 2015, for all schools across Australia. This was endorsed by all Education Ministers from Commonwealth State and Territory Government (independent government and Catholic) in May of this year.

We are one of 350 government schools selected in phase one. The privacy of every participant's individual will be protected at all stages.

The Data Collection will provide Australian schools, parents, education authorities and the community with information about the number of students with a disability in schools and the reasonable adjustments they receive. Participation in the Data Collection is extremely important in providing detailed and extensive information as this will assist in identifying and supporting children with a disability so they can access and participate in education on the same basis as their peers.

Schools will identify students to participate using principals of professional trust and informed judgements. Consent forms with detailed information will be sent home to parents/carers of selected students by this Friday. The timeline given to us by DEECD is extremely short, so we ask for all Consent forms to be returned to school by Wednesday 9th October.

Further information is available from http://deewr.gov.au/nationally-consistent-collection-data-school-students-disability or contact the school and speak to Sue Ongarato or myself.

Last Week of Term 3

We have another busy week in the lead up to the end of Term 3. One of the highlights this week has been an extensive range of activities for children to participate in for Footy Week. A big thank you to Mr Richie for his relentless organisation and passion, and staff who have joined in and provided support. The last day of term ends with a whole school Footy Day. All children are encouraged to wear the colours of their favourite football team. We will have special AFL guests, fun activities and a yummy ‘Footy Day’ lunch.

The Prep/One/Two children have participated in an intensive swimming program at Bayfit Swim Centre in Altona which concludes tomorrow.

School Holidays

I am sure everyone is looking forward to the break and I wish all staff students and their families a safe and fun holiday. Let’s hope the weather is warm and sunny as well.

Just prior to the start of Term 4 daylight saving will have started. I am a little bit selfish over this, because I love having that extra light at the end of the day.

All students will attend Assembly at 2.15pm and be dismissed early from Assembly in the Gym at 2.30pm on Friday, 20th September. Term 4 resumes on Monday 7th October.

Enjoy your Break—Wendy Emin

Lunchbox of the Week!

Congratulations to Emily in Prep H for her Nude Food Lunchbox!

School Banking - Missing Deposit?

To the parents and carers of our school banking students

On Wednesday the 11th September we received a School Banking deposit for the amount of $20.00. The deposit slip was not completed by the student and subsequently the account number details were not captured for processing.

If your child deposited $20.00 to their account on Wednesday, could you please present your bank book to the office so that the receipt can be verified and account number details obtained to allow us to process the deposit to your child’s account.

Do not hesitate to contact me should you wish to discuss this matter further.

Many thanks

12 friendship skills every child needs

Friendship skills are generally developmental. That is, kids grow into these skills given exposure to different situations and with adult help.

Kids can be picky about who they play and mix with. Popularity should not be confused with sociability. A number of studies in recent decades have shown that appearance, personality type and ability impact on a child’s popularity at school.

Good-looking, easy-going, talented kids usually win peer popularity polls but that doesn’t necessarily guarantee they will have friends.

**Those children and young people who develop strong friendships have a definite set of skills that help make them easy to like, easy to relate to and easy to play with.**

Here are twelve essential skills that children have identified as being important for making and keeping friends:

1. Ability to share possessions and space
2. Keeping confidences and secrets
3. Offering to help
4. Accepting other’s mistakes
5. Being positive and enthusiastic
6. Starting a conversation
7. Winning and losing well
8. Listening to others
9. Starting and maintaining a conversation
10. Ignoring someone who is annoying you
11. Cooperating with others
12. Giving and receiving compliments

Friendship skills are generally developmental. That is, kids grow into these skills given exposure to different situations and with adult help. In past generations “exposure to different situations” meant opportunities to play with each other, with siblings and with older and younger friends. They were reminded by parents about how they should act around others. They were also “taught” from a very young age.

**Arrested development**

The NEW CHILD grows up with fewer siblings, fewer opportunities for unstructured play and less freedom to explore friendships than children of even ten years ago.

A parenting style that promotes a high sense of individual entitlement rather than the notion of fitting in appears to be popular at the moment.

These factors can lead to delayed or arrested development in these essential friendship skills, resulting in very unhappy, self-centred children.

Here are some ideas if you think your child experiences developmental delay in any of these essential skills or just needs some help to acquire them:

1. Encourage or insist that kids play and work with each other: Allowing kids the freedom to be kids is part of the message here but parents have to be cunning with the NEW CHILD and construct situations where kids have to get on with each other. For some kids “Go outside and play” is a good place to start!!
2. Play with your kids: Interact with your kids through games and other means so you can help kids learn directly from you how to get on with others.
3. Talk about these skills: If you notice your kids need to develop some of these skills then talk about them, point out when they show them and give them some implementation ideas.

Kids are quite ego-centric and need to develop a sense of ‘other’ so they can successfully negotiate the many social situations that they find themselves in.

As parents we often focus on the development of children’s academic skills and can quite easily neglect the development of these vital and important social skills, which contribute so much to children’s happiness and well-being.

**Fresh Fruit Friday (FFF)**

Last day of Term—No Fresh Fruit Friday today. If you are able to help out weekly, fortnightly or even once a month, please contact Linda Taylor at, taylor.linda.l1@edumail.vic.gov.au. This is a very happy and social group.

**Canteen—NEW HELPERS MOST WELCOME**

Julieanne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julieanne can be contacted via the General Office. New parents or family members are always needed, so, if you can spare any of your valuable time, it would be greatly appreciated.

Thursday 19th September—Kaylynn Rasmusen  
Friday 13th September—Special Footy Day Lunch

Please remember that Lunch Orders are only available on Wednesdays, Thursdays and Fridays.

No Lunch Orders are available on the Last Day of Each Term.

**Uniform Shop News**

The Uniform Shop hours are Mondays and Thursdays from 8.30am to 9.15am. Any enquiries please contact Kara on 0413 008 185. **Size 6 and 8 tunics** are back in stock. Also, if you have recently placed an order, please check at the office, as there are a number of orders awaiting for collection. If you can't make it to school when the shop is open, you can always fill out an order form at the office. Very soon you will be able to order online. Any enquiries, please contact Kara on 0413 008 185.

---

**School Banking**

School banking day is Wednesday. Don't forget to send in your child’s bank book.

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

---

**Working With Children Checks**

As from the 1st July 2013 the process for applying for a Working With Children Check has changed. Due to the continual changes to the forms they are no longer available at School or the Post Office. The only way to apply for a Working With Children Check is online. These forms are available at [http://www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au)

Reminding Parents, if you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions or Camps, you must have a current Working With Children Check. If you have a current WWCC and have **not** provided a copy to the office, please bring your WWCC to the school office, where a copy will be placed on file. Working With Children Checks remain valid for 5 years.
ART NEWS

Artist of the Week
Clare in Year 3B received the Artist of the Week Award at Assembly on Monday. She produced a very well thought out and creative Dream Camp Drawing, showing a good understanding of perspective. Great job Clare!

Congratulations to Year 1V who have been awarded the Art Class Award this week. They worked really hard to achieve great results with their paper weaving mats. Well done Year 1V!

Art News
Today the fantastic Poultry Artworks and the creative garden in a wheelbarrow entry, completed by those students who are part of our school gardening club, were delivered to the organisers at the Royal Melbourne Showgrounds. These will be on display throughout the course of the Royal Melbourne Show.

A reminder that as students will be collecting their 3D work during the final week of term, it is advised that they bring along a separated plastic or material bag to take their art work home in and to keep it safe.

Wishing everyone a safe, relaxing and creative break.

Thank you
Julie Kelly,
Visual Arts Teacher.

The Year 3 & 4 children went to Anglesea Recreation camp. It took us an hour and a half to get there. When we arrived we had a safety talk with Nathan, one of the YMCA staff. After that we had our lunch and then we found out our cabins. The cabins were Addis which was just for the girls. There was Bells which were mixed and Jarosite just for the boys. Then we went to our cabins and had a look, then we started our activities.

The activities were Low ropes, Games Galore, Giant Swing, Volleyball, Photo Find, Skateboarding, Mountain Bike Riding and Inverlochy Challenge which was our last activity. The groups were Kangaroos, Possums, Lizards, Foxes, Koalas and Rabbits. The food was delicious. We also had special events such as the Night Walk, Movie Night and we watched Baby's Day Out, Aerobics with Belinda in the morning and then we had the AWESOME DISCO.

Thank you for all the support the teachers and parents gave at camp, we all had a wonderful time.

By Mia and Olivia

This camp has been the best camp that I have been to. The activities included Low Ropes, Giant Swing, Mountain Biking and lots more. I enjoyed my time there. My highlights were—the Disco (best DJ ever!), Movie night and the chocolate muffins. I had a great camp and I just wanted to thank all the teachers that came along and Mr Peters for making it all happen.

By Allegra.

Anglesea Camp was marvellous! It was a great experience with lots of fun and I was never bored at anytime. My group was the Possums and our leader was Belinda. My favourite activity was ‘the Giant Swing’ and I went to the top. Being at the top was FABULOUS! Even though this was my second camp, I was still really excited and I didn’t want to leave at all. The disco was the best! If the music was too loud, there was a room next door that you could play table tennis or board games. This camp was the BEST! I sooooo want to go to Anglesea Camp again.

By Monique

The Anglesea Camp was MARVELLOUS! It was an experience like no other with amazing sites to see and sun games. My group was ‘Kangaroos’ the leader was Mr Peters. All of the activities were so much fun filled with excitement and passion.

The activities consist of joy, height, gear and a rush of FUN! The accommodation was deluxe and very organised. The activities were Giant Swing, Low Ropes, Mountain Biking, Volleyball, Photo Find, Skateboarding and Games Galore. The Disco was amazing and the DJ was Jazzy P!

I have no other words to explain how great it was. By Lola
I woke up at six o’clock in the morning feeling normal. But then realised today I was going to Anglesea Camp!!!!!! I was so mind boggled that I rushed into my clothes and then to the door. I then realised that I didn't have to leave for another hour. Time must have left me behind because it felt like I was waiting for ages!!!. Then I went into the car and went to school. I had to do a bit more waiting but then I hopped onto the bus and left. The bus ride felt really quick. That day I did beach volleyball and skateboarding. My cabin was so cool, I was in Addis Room 8. I didn’t have a restless sleep. The next day I did the activities that I was getting prepared for. The giant swing was so cool. I didn’t go to the top because I was too scared. The disco was mind-blowing. I had the time of my life. The next day I did the Inverlochy Challenge. It was Okay. I was sad but happy at the same time, because I was going home. On the bus I had a lollypop. The bus ride was so long this time. Once I got home I was so happy. I can’t wait until next year.

By Aysha

On Monday 9th September the Year 3’s left school to go to Anglesea Recreation Camp. It tool an hour and a half to get there, once we got there we had a safety talk with Nathan one of the Anglesea Recreation Camp YMCA staff.
Then we got to find out who was in our cabins. Ella, Lucinda and Olivia were in Bells Room 6. Then we went to HQ and got our activities booklets and found our groups. The groups were Foxes, Kangaroos, Rabbits, Koalas, Lizards and Possums.
After that the groups had lunch and then they did two activities. Next everyone had dinner and desert. That night we had a Movie night, plus a night walk.
The next day we got up at 7.00am and did aerobics with Belinda. At 8.00am it was time for breakfast. For breakfast we had cereal, juice, fruit and toast. After breakfast everyone had an activity. Then we had morning tea which was muffins and fruit.
Next we had an activity and lunch which was make your own rolls which had burgers, lettuce, beetroot, tomato, cheese and pineapple with sauce.
After that we had another activity. Next we had afternoon tea which was cookies and fruit. After that we had another activity, then we all had the disco and the DJ was DJ Jazzy P (Mr Peters). Everyone danced until they dropped. The next day we had the Inverlochy challenge which was a lot of fun. Then we went home.

Places are almost full for the younger participants for the BIG Weekend…

BUT there are still plenty of places for the older age group – 14 to 18 year olds.

If you have teens in your house who could do with a break from their siblings with ASD, The BIG Weekend is for them.

Feedback from last year’s event told us that the older ones wanted to have some time and activities away from the younger ones, so this year’s program will make sure that happens. Portsea is right by the sea with outdoor and beach activities, and we have a terrific program lined up with cooking, crafts and drama as well – and participants can choose what they do (and don’t do!).

Here’s what one parent told us after last year’s BIG Weekend:

“I have not had success with having an actual discussion with my teen regarding the big weekend. She was adamant she didn’t want to go but I sent her anyway and she loved it. She hasn’t been forthcoming with any info and I gave up on questioning her, however when I mentioned going again this year, I was not met with resistance!! This is very positive.”

So we do understand that older teens might be a bit doubtful, and we urge you to encourage them to give it a go – it’s a chance to make friends for life with others with a shared understanding of this unique and difficult path.

Follow this link for information and registration details.

And if you have any questions, do give us a call – 1300 308 699. We are really looking forward to the BIG Weekend!

Dear Parents,

School holidays are fast approaching. Please remember to book your child/children into the holiday program as soon as possible as places do fill quickly.

The closest holiday program is Spotswood Primary School. To book, please log onto oshclub.com.au and complete a holiday program enrolment.

Please also remember Term 4 is a sunsmart term. Make sure your child brings a sunsmart hat to the Before and After Care program. Oshclub does have a "not hat—no play' policy, but does provide sunscreen. If your child is allergic to a particular type of sunscreen, please inform the coordinator at the program.

Please check the blue basket for your child’s belongings as this is filling quickly. This is situated next to the sign in/sign out table in the Gym.

Thank you
After School Care Team

**School Banking Update: Redeem your tokens for a moneybox this year!**

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be two new reward items for students to choose from each term.

With exciting new reward items on offer in 2014, please be aware that the Dollarmites moneyboxes will no longer be available next year. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.

In an effort to ensure your child doesn’t miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that they still need to redeem each moneybox for the required 10 tokens.

Pamper Party days are so much fun!!!
A girly spa party day at its best. Enjoy a facial, a cool cucumber eye mask, a rose scented hot footbath and a hand massage with lemon grass body lotion. Make your own scented perfume oils, lip-gloss and bath salts all decorated in beautiful containers to take home. Make a stylish LFK calico bag and paint the outside with pink and purple flowers. Lots of dance games. Gymnastics Acro and a Contemporary dance routine to learn and perform at the end of the day. Smoke machines, bubbles and disco lights on to make our disco even more exciting. After all that fun finish the day with Mocktails made with bubbly pink lemonade and rainbow fruit kebabs...... Don't miss out on all that relaxing @LFK....someone's got to do it I I I I !!!!!
