Prep Kimono Dress Up Day
Thursday 21st November, 2013

In Term 4, the Prep children will be exploring the Kimono, the national costume of Japan. The highlight will be dressing up in a real Yukata, the cotton version of the Kimono worn in summer. Every child, boys and girls, will have an opportunity to try on a real Yukata and have a photo taken. Leanne O’Sullivan from Kimono House will dress the children and explain about the separate parts (obi sash, tabi socks, and geta shoes) that make up the beautiful outfit, and the origins of the different fabric designs. At the end there will be an opportunity for a class photo with everyone in a Yukata.

The cost of this incursion is included in the 2013 Incursion/Excursion payment.

Helen Atkins, Japanese Teacher
