Needed to meet formally to elect a Council member for the Principal Position.

The position went online 4\textsuperscript{th} May, 2012 and closes on Friday 18\textsuperscript{th} May, 2012.

Part of the panel’s role is to review applicants against the criteria.

DEECD (including teacher representatives)
Sue Conquest
Current Principal from another school
Teacher Representative
Parent Representative
School Council President

On Tuesday 22\textsuperscript{nd} May the panel will be briefed from 6.30pm to 8.00pm. All council members are eligible to nominate.

Screening Results
The panel will come together to conduct interviews. This will be a full day process. This date will need to be confirmed.

You can self nominate or another School Council member can nominate you. This needs to be co signed. If we have more than one nomination we will need to conduct a vote and the outcome will be known tonight.
Once this person is completed we need to have faith in the panel and the process acting in the best interest of the school.

Michael Lynch self nominated and provided the council with some background information about his background e.g. employment and why he is interest in nominating. Sam also like wise added her background and level of employment.

Michael's self nomination was seconded by Giorgia Moss.

We have had a tie in the selection of the staff representative. This now means that staff will need to go through the voting process again.

Meeting Closed
