Principal’s Report

ANZAC DAY REMINDER

Please note that no children are to attend school on Thursday 25th April. The school will be closed tomorrow for ANZAC Day.

PLAYGROUND EQUIPMENT UPDATE

In 2012, the Facilities and Finance subcommittee of School Council asked five playground contractors to present a brief about their respective companies and the type of playground they manufacture and install. The subcommittee felt that two of these companies were particularly impressive and could accommodate the school’s expectations for this project. We have since asked these two companies to proceed to a full design proposal.

The brief at this stage is for the replacement of all playground equipment. This includes the Prep equipment under the main shade sail as well as three new playgrounds areas being constructed around the oak tree and existing decking area in the centre of the school yard. With this proposal, we would be removing the existing Year 1 and 2 equipment which is currently placed in the back corner of the school and amalgamating this with the other equipment thereby creating a much larger play zone in the centre of the grounds. We are currently meeting with both of these companies to fine tune the proposed designs and corresponding budgets. I have placed some further design proposals on display in the foyer of the Gym for perusal.

If all goes according to plan we hope to be awarding this project to a contractor by the end of the term, with the playgrounds being installed in Term 3. I’ll keep you posted as this exciting project unfolds for the school.

2013 ATTITUDE TO SCHOOL SURVEY (ATSS)

On Friday, all Year 5 and 6 children will be completing a state wide survey to measure their attitudes towards to school. This survey aims to measure attitudes towards learning, connectedness to their peers, motivation, safety etc. The survey results are collated by the Department of Education & Early Childhood Development (DEECD) and the school will receive some comparative results in Term 3 whereby we can explore how the attitudes of Willy North kids compare with the attitudes of other Year 5 and 6 children across the state.

The survey can be very helpful in identifying and celebrating the successful attributes of the school as well as pinpointing any areas of concern that the school may need to address. I will share these results with you later in the year.

LITERACY & NUMERACY INFORMATION SESSIONS

Next week we will be holding some information sessions for parents on how to further support students with their literacy and numeracy development. These sessions are particularly geared towards parents with students in Years P – 2. These sessions will be conducted in the Junior Learning Centre and will commence at 7.00pm.
I commend these sessions to you if you are after some tips for further supporting your child’s early stages of learning in these important areas.

**FLAG THANK YOU**
A big thank you to Phil Barber who corresponded with Nicola Roxon's office to secure a new Australian flag for the school. We were delighted to have this presented to the school at this week’s assembly.

**JAPANESE DAY**
A special thank you to Helen Atkins for all of her planning and organisation of today’s Japanese Day. Our students were involved in a terrific range of activities during the morning including cooking, drumming, origami, chopstick games and lots more. It was also terrific to see some of students who really got into the spirit of the morning with their special dress ups. Thank you all parents who were able to support our Japanese Day program.

**PROFESSIONAL LEARNING COMMUNITY (PLC)**
On Monday, ten staff participated in a Professional Learning Community (PLC) training day in Altona. We have formed a network with four other schools to explore the PLC approach and we are excited about how it is helping us to further develop many of our practices and approaches. In summary, a PLC focuses deeply on student learning, staff collaboration and student achievement results. In a PLC, there are four guiding questions that underpin all school practices, these include:

- What do we want students to learn?
- How do we know if they have learned it?
- What do we do if they don’t know it?
- What do we do if they already know it?

Whilst these questions may seem simple – they are quite complex to address and have enormous implications for our practices at school. There will be another day of training later in this term and we will also have a coach working with our school leaders over two days to further explore and embed practices in this area. The research around PLC structures in school is very comprehensive and I would direct you to the work of Richard & Rebecca DuFour for anyone who is particularly interested in this initiative. Further information can also be found at [www.allthingsplc.info](http://www.allthingsplc.info).

**WHEN YOUR CHILD IS ABSENT**
If your child is absent from school, please let the school know via email, telephone or by completing the absent note located at the general office. We will need to know the reason for the absence and the duration. The information provided by you will be processed on the school system.

Enjoy your Week!

Teach children to persist

Parents can promote persistence by encouraging their children to keep going and not give in at the slightest hurdle or difficulty.

“Persistence and patience have a magical effect before which difficulties disappear and obstacles vanish.”
John Quincy Adams

The ability to persist at a task and see it through to the end is one of the most important success attributes that you can develop in a child.

There are numerous times every day when children must persist rather than give in. A young child learning to tie shoe laces must persist. A primary aged student must show determination to finish tasks and a secondary student needs to work through difficulties, particularly those he doesn’t understand or complete right away.

They need to be able to persist when work gets hard or life gets tough. They need the ‘stickability’ to work through difficulties and hang in there when things don’t go their way.

Some children are more naturally predisposed to persist than others. They have a determined, even competitive streak in their temperament that doesn’t allow them to give in. These children and young people can drive themselves very hard to succeed.

The results of the Australian Temperament Project show that persistence is the one temperamental factor that can be improved over time. Parents and teachers can develop persistence in children and also impede its development by making life too easy for children so that they don’t have opportunities to persist or hang in there.

Parents can promote persistence by encouraging their children to keep going and not give in at the slightest hurdle or difficulty.

Parents can be a sounding board for children’s gripes but they should show confidence in their ability to cope and get through their difficulties. “You can do it” is far more powerful in terms of promoting an attitude of persistence than “If it is a little too hard then try something else.”

Let children know that there is a correlation between effort and success. In fact, they need to learn that by GIVING EFFORT they will more than likely experience more success. The ability to persist in the face of difficulties maybe an old-fashioned quality but it is one of the best success attributes that children will ever develop.

Here are four practical strategies you can use to promote a sense of persistence in your children:

1. Develop a vocabulary for persistence.
Words like “Hang tough”, “Work Hard” and “Hang in there” can become part of their every day vocabulary.

2. Point out to children when they stick at a task.
Most parents know it pays off when they catch their children being good but it also pays off to catch them being persistent. The behaviours you focus on as parents expand so let them know when they have been persistent. Also remind them that persistence generally pays off.

3. Help children to remember times when they experienced success by HANGING IN when they were younger. Let them know that persistence has paid off before and it will again.

4. Talk about HARD WORK with your children.
They need to understand that to be successful they need to do things that are NOT fun or easy. While it would be good if all work and learning was fun, in reality, this is not always the case.

**Rosters…**

**Fresh Fruit Friday (FFF)**

The parents on the roster for Fresh Fruit Friday for this week **Friday 26th April** are:

Martin Ray, Pamela Fernando, Helen Parker, Larissa Deeth, Mette Nielsen, Helen Gibbs, Julie Noonan, Jodie Moore and Helen Dixon.

If you are able to help out weekly, fortnightly or monthly, please contact Linda Taylor at, taylor.linda.11@edumail.vic.gov.au. This is a very happy and social group.

---

**Canteen**

Julianne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julianne can be contacted via the General Office. New parents or family members are always needed, so, if you can spare any of your valuable time, it would be greatly appreciated.

- **Friday 26th April** — Kellie Walker
- **Wednesday 1st May** — Michelle Lopes
- **Thursday 2nd May** — Anne Tobin
- **Friday 3rd May** — Leanne Sutton

Please remember that Lunch Orders are only available on Wednesdays, Thursdays and Fridays and NO Lunch Orders are available on the Last Day of Each Term.

---

**Uniform Shop News**

The Uniform Shop hours are Mondays and Thursdays from 8.30am to 9.15am. Any enquiries please contact Kara on 0413 008 185.

---

**School Banking**

School banking day is Wednesday. Don’t forget to send in your child’s bank book.

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

---

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps, you must have a Working With Children Card. Please note that these forms are available from any Australia Post office if you are wishing to apply for a check (note the forms are no longer available from the school). If you have a WWCC provide it to the office staff to be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the second group of our parents who received their WWCC in 2008, will need to renew their WWCC in 2013. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

---

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**
ART NEWS
Congratulations to William Humphries in Year 6C, who received the Artist of the Week award. William’s Eye Drawing is a truly amazing piece of artwork. Well done William!

This week’s Art Award was given to Year 1H, for their fantastic listening and following of instructions to achieve great results with their Botanical Drawings.

A reminder that the Pirates project/exhibition at the Louis Joel Art Gallery and Community Centre finishes on Sunday 5th May, so there is still time to check out the wonderful work of our Year 6 students.

Again thank you to everyone who has donated magazines to the art room. If you have any spare magazines, please drop them into the art room whenever it is convenient.

Julie Kelly
Visual Arts Teacher

Year 1S are really excited because they have two Spiny Stick Insects joining their class this term.

Some interesting facts.

Their names are Cleo and Brutus

One is male and other female. The female is bigger than the male.

They camouflage from other animals so they won’t get eaten.

Cleo has spikes along her back.

Brutus has wings but we haven’t see him fly yet.

They have tails like a scorpion.

They look like leaves.

Their tails curl up but they can straighten them also.

Aspect Recipe for Success: a positive behaviour support workshop

Aspect Victoria is pleased to offer our highly successful, contemporary, evidence-based three (3) day Autism specific Positive Behaviour Support Workshop in the Western Region of Melbourne.

More than 1200 families have participated in Aspect’s Recipe for Success workshops. Post workshop evaluations showed an effectiveness of the workshops, with participants reporting decreases in challenging behaviours and increases in confidence and capacity to support their children and young adults.

When: 27th, 28th and 29th May, 2013
Where: Sadie McCarthy Learning Centre
Altona P-9 College
227 Civic Parade, Altona, Vic, 3018
Time: 9:30am-2:30pm (9:15am for Registration)
Cost: FREE (morning tea and lunch will be provided)
Registration: Register online at www.autismspectrum.org.au

Eligibility to participate in this Workshop:
- Parents or carers of children aged between 5 – 18 years with an Autism Spectrum Disorder (ASD)
- The children are attending a Department of Education and Early Childhood Development (DEECD) school in the Western Region of Melbourne
- Participating families are encouraged to invite professionals or service providers working with them to attend the workshop

Families participating in this workshop will:
- Develop an understanding of autism and how an ASD impacts upon learning and behaviour
- Learn how to be proactive by creating an autism friendly environment at home
- Learn how to write an autism specific behaviour support plan for one of their child’s behaviours
- Learn how to write a plan to respond confidently when challenging behaviour occurs
- Learn how to teach new skills to promote their child’s independence and quality of life

Enquiries:
Contact Amber Day – Workshop Administrator or Heather Kirkhope - Service Coordinator
Phone: 03 9377 6600 or email aday@autismspectrum.org.au

What participants say about Aspect Positive Behaviour Support Workshops:

“Brilliant information and concrete strategies to use, thank you. I have learnt very important self-reflection, being able to step back and really look at and examine behaviour, so valuable. I really value the focus on being positive and improving my child’s, my own and my family’s quality of life. Great workshop – I will highly recommend it to others.”

“Fantastic presentation. Very interactive, affirming & capacity building. Ideas not just discussed but taught how to follow through on.”

“Best information session on Autism I have been to. So much clarity about getting to the core behaviour, unpeeling the onion.”

Autism Spectrum Australia (Aspect) is Australia’s largest not for profit autism specific service provider. Established in 1986, Aspect provides a wide range of services and support. In 2010 Aspect commenced operation in Victoria.
CONGRATULATIONS & WELCOME TO Altona Gate Shopping Centre
RUN AROUND AUSTRALIA 2013

Congratulations Williamstown North Primary on being one of the participating schools in Run Around Australia 2013 at Altona Gate Shopping Centre!

Run Around Australia is part of the wider initiative called ‘Lets Live Better’ which was introduced in 2009 to work toward helping grow healthier communities across Australia. The Run Around Australia Campaign is designed to positively influence children’s (and their parents) food and lifestyle choices, while offering school communities a great way to obtain additional funding.

The campaign commences on Monday 15th April 2013 and will run for 6 weeks until Sunday 26th May 2013.

WHAT CAN MY SCHOOL WIN?

This year there is a CASH PRIZES and weekly prizes to the value of $200 to win at Altona Gate Shopping Centre. We are very excited to announce there is a prize pool of $4,000 to win for your school! - 1st $1,500, 2nd $1,000, 3rd $500

HOW DO CUSTOMERS PARTICIPATE?

From 15th April to 26th May 2013, customers simply drop their shopping receipts (from any retailer within the Centre) at the drop boxes that will be located opposite Coles and Kmart at Altona Gate Shopping Centre or at your school reception. If you wish to keep your receipts simply present these at Altona Gate Centre Management Office and we take down your school details and your receipt can be retained.

Customers are awarded kilometres for dollars spent at participating stores in centre. The customer nominates the name of the school that they want to receive their kilometres. They continue to redeem their receipts for kilometres throughout the promotional period, and the school that runs around Australia the furthest wins a cash prize.

CROSS COUNTRY TRAINING

As the Cross Country event is approaching we will continue with the training sessions to ensure our students are well prepared.

Tuesday 30th April
Thursday 2nd May
Training will commence at 4:30pm.

We will be conducting training at Cherry Lake. The 10 year olds will complete the 2km course and the 11/12 Year olds will run the 3km course. If your child is unable to make a particular training session, I would like them to conduct their own personal training session. This will enable the group to be prepared for the race.
Any question please see Sarah Nobbs.

STUDENT BANKING 2013

Does your child have a Commonwealth Bank Dollarmite account?
Did you know that for every NEW child that starts banking at school – we get $5.00 commission?
PLUS we get 5.00% commission on all deposits.
This is a great fundraiser for our school.
We have School Banking every Wednesday
Just bring your deposit book in with your $ and hand it to your Teacher.
Your deposit will be processed and your child will get their book back the same or next day.
The Student Banking program is aimed at helping students understand core financial values and money management skills. The emphasis on this program is on regular savings and not the value of each deposit so there is no minimum deposit amount, it is more of a fun and engaging activity for the students to enjoy!

DON’T HAVE A BOOK?
……..Call into your local Commonwealth Bank Branch and open a School Banking account – it’s simple; all you need is Parent photo I.D and child’s Birth certificate – you can start banking at school straight away!
If you have any questions, please feel free to contact the school office or call our School Banking Specialist Susan Brailsford M: 0422 116 040 / email susan.brailsford@cba.com.au
