WELCOME TO 2013

A warm welcome to all students, parents and staff as we begin the 2013 academic year. What a fabulous start we have had so far. Our 628 students have all settled into their 26 classes beautifully and it’s great to observe such a positive orientation to our learning programs so early in the year.

I would like to take this opportunity to welcome several new staff members: Emily Millman (Prep), Lewis Bainbridge (Year 3), Tess Holland (Year 3) and Gemma Aktolga & Tracy Carroll (Education Support Staff).

We also welcome two teachers back from leave: Melanie Hinsley (Year 1) & Annemarie Honeybone (Year 2).

THANK YOU

Over the holiday period we continued the work to upgrade our facilities. The major works including the upgrade of the asphalt area, new carpet in the corridors of the main building, asphalt in the staff car park, upgrading Rooms 21 & 22 and ongoing painting works.

I would like to take this opportunity to sincerely thank two of our highly supportive parents who contributed significantly to these upgrades over the holidays. Firstly I would like to thank John Bell-Andrews for undertaking our new asphalt works. In addition to asphalting the staff car park at a minimal price, John also provided the materials to seal all of the original asphalt areas. Another of our parents, Justin Bartlett, donated his time to work with John to oversee the sealing of the asphalt. Both John and Justin donated many hours of labour to these projects and very generously provided these upgrades either free of charge or at cost price. I can’t thank John and Justin enough for their amazing work over the holidays – we are so fortunate to have this type of support from parents at our school!

CLASS REPRESENTATIVE PROGRAM

This year we are looking to significantly upgrade our parent rep scheme. Two of our parents, Julie Noonan and Jo Gumley, have very kindly volunteered to coordinate this program and to ensure that every classroom has highly supportive communication structures in place. To kick start this program, we are calling for two parents from each class to nominate as class reps. There is a flyer in this Newsletter that outlines the role in a little more detail. If you are interested could you please forward your name to Jo/Julie via email or phone (their contact details are provided on the flyer).

SCHOOL COUNCIL ELECTIONS

Another way that parents can become involved in the school is to become a School Councillor. Our School Council consists of nine parents and four teachers. Each member of council is elected for a two year period and the prime role of Council is to help shape the policy direction of the school. As well as attending monthly School Council meetings, members also work on one of our three sub committees (Finance, Education & Community Liaison). I would like to now formally notify parents & teachers that our School Council election process opens today and we are seeking four parent nominations and three staff nominations. Parents can be nominated or self-nominate for a council position. All nominations will need to be received by 4:00pm next Wednesday.
13th February. If we receive more nominations than positions available then an election process will ensue. Any parents requesting a nomination form can contact me at cahill.jim.a@edumail.vic.gov.au or call the office on 93975722.

PARENT PERSPECTIVES
Over the last week, all levels of the school have distributed information forms to parents requesting further details about each child from the parent’s perspective. I would like to emphasise the importance of this form, as we really do value the insights that parents provide in regards to each child’s needs. Please take 5 - 10 minutes to complete these forms and it would be great if these could be returned to your child’s teacher by the end of this week.

On the 19th and 20th February, we will be holding Information Sessions for every level of the school, whereby you will be able to meet the teachers at every level and find out about the programs that will be operating this year. After these sessions, parents will have a chance to visit classrooms and chat further with teachers.

We will not be formally structuring early parent teacher interviews at this stage, however if there are any extenuating circumstances around a child’s needs, then as always, we will be happy to facilitate a Parent Teacher Interview upon request.

WORKING WITH CHILDREN CHECK (WWCC)
A quick reminder that we require parents assisting at school to have undertaken a Working with Children Check, particularly if assisting in classrooms and on excursions. Please note that these forms are available from any Australia Post office if you are wishing to apply for a check (note the forms are no longer available from the school).

SMS ALERTS
Over the holiday period the school issued two SMS alerts regarding Book Pack Day and the first day of school. Unfortunately our new program did not sync with our 2013 data base and these alerts missed the new Prep parents and were sent to last year's Year 6 parents. The problem has now been rectified. I apologise for any missed/unwanted texts. We won’t be sending regular SMS messages as the structure will be predominantly used to remind parents about upcoming major school events. Please do not reply to any text messages that you receive from the school. Always contact the office if you require further details.

Enjoy your week

CANTEEN HELP FOR 2013

Dear Parents/Guardian,

Our Canteen lunch days are Wednesdays, Thursdays and Fridays and our Canteen is managed by Julieanne. We rely on parents to assist in the Canteen from 9.00am to 2.00pm on these days for counter sales and to prepare lunches.

For parents new to the school, it is a great way to meet other parents and become familiar with the school. Children also enjoy seeing ‘mum or dad’ or even ‘nan’ helping.

The tasks are quite easy and for new helpers, there are people there to ‘train’ and support you.

Any amount of time is appreciated. Parents may nominate how often they can assist, and for 2013 whether it be for a couple of hours, or a full day.

We have a ‘Toddler Play Area’ in the foyer of the Gym for parents who have pre-school age children. (Young children are not allowed in the Canteen area due to health and safety requirements).

If you can assist for any length of time, please complete the “Reply Slip” below and return to the School Office by Monday 13th February.

Please note: our Canteen Manager, Julieanne, is there to assist with all tasks on lunch order days so volunteers do not work unassisted. All Canteen helpers are required to have a Working With Children Card.

Please see the Reply Slip in today’s Newsletter.
**Rosters…**

**Fresh Fruit Friday (FFF)**

This week, **Friday 8th February** we would like anyone that can assist with FFF duty. Linda Taylor our school coordinators sent an email to parents asking if they are available to assist this week. If you would like to be part of this lovely group on a Friday morning, please contact Linda Taylor at, taylor.linda.l1@edumail.vic.gov.au. This is a very friendly and social group. There is a Reply Slip in today’s Newsletter if you would like to join this group.

**Canteen**

Julieanne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julieanne can be contacted via the General Office. New parent or family members are always needed, so, if you can spare any of your valuable time it would be greatly appreciated.

Please remember that Lunch Orders are only available on Wednesday, Thursdays and Fridays and NO Lunch Orders are available on the Last Day of Each Term.

**Uniform Shop News**

The Uniform Shop Hours are Mondays and Thursdays from 8.30am to 9.15am. Uniform items which are currently out of stock have been reordered. Delivery on these items is anticipated to arrive next week. Thank you for your patience. Any enquiries please contact Kara on 0413 008 185.

**School Banking**

School banking day is Wednesday. Don’t forget to send in your child’s bank book.

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps, you must have a Working With Children Card. Please note that these forms are available from any Australia Post office if you are wishing to apply for a check (note the forms are no longer available from the school). If you have a WWCC provide it to the office staff to be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the second group of our parents who received their WWCC in 2008, will need to renew their WWCC in 2013. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes** are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.
CLASS REPRESENTATIVES PROGRAM 2013

BACKGROUND
Williamstown North Primary School (WNPS) prides itself on constantly striving to provide our students with a learning experience that is of a high standard. The active involvement of parents in the life of a school helps to promote a healthy, interactive and engaging learning community for staff, parents/carers, and most importantly, for students. With this in mind, WNPS will be enhancing our existing ‘Class Representative Program’ in 2013. The new Program will aim to enhance communication and engagement between teachers and parents/carers, to more actively support learning in the home environment.

CLASS REPRESENTATIVES PROGRAM
The WNPS ‘Class Representatives Program’ is a network of parents/carers that will take the lead in facilitating communications between teachers and parents. At the beginning of each school year, parents/carers will be invited to put forward their names as Class Representatives for their children’s classes. Two people will share the role for each class, making this a great opportunity to meet other parents and get involved in our school community.

ROLE DESCRIPTION
Create, maintain and distribute a parent/carer contact list for your class, with assistance from school administration;
Facilitate regular communication between the classroom teacher and parents/carers via a fortnightly ‘Class News’;
Recruit parent/carer volunteers for classroom activities and excursions as required;
Be a ‘support resource’ for the class teacher by communicating the need for classroom resources (i.e. craft items) in the newsletter; and
Organise social events for the parents/carers and students (where appropriate) to attend during the year (i.e. coffee morning, dinner, park playdate etc).

THE SUPPORT YOU WILL RECEIVE
A ‘Class News’ template sheet will be developed for your use. This will enable you to quickly gather the required information for parents/carers on a fortnightly basis. The ‘Class News’ will include the following:

⇒ Information on upcoming classroom activities/incursions/excursions,
⇒ Volunteer opportunities for parents/carers,
⇒ Fortnightly summary on the class literacy, numeracy and Inquiry topics,
⇒ Details of upcoming social events for parents/carers and students,
⇒ Classroom resources required,
⇒ Broader school initiatives and news.
⇒ Class contact details will be provided to you along with an Excel template for storing the information;
⇒ A list of all Class Representatives across the school.
COMMUNICATION REQUIREMENTS

WNPS understand how time poor parents are. With this in mind, the Program has been developed to efficiently and effectively gather and distribute information via an email network.

This is done in 3 easy steps:

1: Brief fortnightly communication with the classroom teacher to gather the information required for the ‘Class News’;

2: Using the template provided, prepare the ‘Class News’ and email to parents/carers on a fortnightly basis;

3: Attend a meeting with Class Representatives from your year grouping (Prep, 1 & 2, 3 & 4, 5 & 6) once a Term, to plan for the Term ahead.

EXPRESSION OF INTEREST:

If you are interested in becoming a Class Representative, please email Jo Gumley at joannaevans2000@yahoo.com or contact Jo on 0404 738 469 by Friday, 15th February 2013.

Please provide the following information in your email:

◊ Your name,
◊ Your child/ren’s name/s and class/es,
◊ The class you would like to nominate to be a Class Representative for,
◊ Your contact details (i.e. mobile/home or business).

If you have any questions, or would like any further information about the Program, please contact the Class Representatives Program Co-ordinators:

Welcome to Performing Arts in 2013

After the busy right-up-till-Christmas pace of 2012, the year ended on the final astounding notes of a crescendo: 2012 School Concert. For students in the senior choir and school band it was a terrific culmination of a year’s hard work. As we prepare for the start of the new school year it is timely that we revisit some of the key principles for performing arts students to consider.

Research strongly suggests that students who achieve the most, work the hardest. I am reminded of the well worn phrase I use for performing arts students, “The more you practise the better you sound, the better you sound, the more you want to practise, it becomes a wonderful learning cycle.” The chart below illustrates the significant role of deliberate practise: by the age of 18, the best violinists have accumulated 40% more practise than good violinists (William, 2012). Interesting findings that apply to all areas of learning.

<table>
<thead>
<tr>
<th>Hours of practice by age 18</th>

It is important that teachers and parents explain to children the nature of learning: that learning is a continuum on which we are all placed and that given enough time and effort, anyone can grasp (Clark, 2001). Having said that, we all can not be Mozart, however, given enough time, practise and effort we can reach our full potential. Practise requires repetition, honing our skills, and reflecting; it important to note here that we have all have different learning rates. Just because we see someone in our peer group understands something more quickly, does not mean they have greater ability. Within any subject area a number of variables determine learning ability—interests, previous experience with the subject, teacher-student relationship, and preferred learning styles are just a few examples.

Finally, the program endeavours to build a vibrant and positive learning community, and at the heart of the community is a focus on student success: everyone can succeed because everyone can improve. It is an eclectic program consisting of the following: (1) A classroom based program, (2) A keyboard program—after school lessons with ABC Music, (3) An instrumental program—after school lessons with ABC Music, (4) the senior choir and rock band—lunch time rehearsals.

These wonderful and rich musical opportunities contribute to the overall wellbeing of the students at Willy North. Further details will follow in next week’s Newsletter.

So, launching into the 2013 school year, I can hear sounds echoing from the performing arts room, they are the first soft notes of a crescendo!

I am Fran McCormick, catch you next week!
