FETE EXTRAVAGANZA THIS WEEKEND!!

After months of careful planning our biennial Fete is almost upon us. The school has been a hive of activity this week as the final preparations have been unfolding. We have our fingers crossed for a beautiful autumn day to ensure every aspect of the Fete is enjoyed by all. I hope to have a display board set up with the first draft plans for the new playgrounds - all money raised on Sunday will be targeting this exciting project for the school. I look forward to being part of this wonderful community event on Sunday – hope to see you there!

PARENT/TEACHER/STUDENT CONFERENCES

A huge thank you to all parents who were able to attend last week’s Parent/Teacher/Student conferences. I appreciate it must have been very difficult for many parents to juggle some space during the work day to attend a conference between 2.00pm – 4:30pm. We hope you were able to get a clear sense of your child’s start to the school year from these conferences as well as having an opportunity to clarify some learning & personal goals for your child over the coming months.

BEFORE & AFTER SCHOOL CARE

We are very fortunate to be able to offer such high provision in the area of before/after school care at Williamstown North PS through the OSHClub organisation. Approximately 60-70 students attend After School Care in the Gym each day and around 25 – 30 students attend Before School Care in the Japanese Room each morning. Leanne and her team do a great job ensuring that the students are warmly greeted and genuinely engaged in all aspects of the program. We are aware that many parents were unable to access the before care program this year as there is a maximum of 30 places available. Unfortunately our growing enrolments are continuing to put pressure on all of our available facilities. We are monitoring this situation closely in consultation with OSHClub and please be assured that we understand how important this issue is for many families.

GRIP – LEADERSHIP CONFERENCE

Last Thursday, Melissa Bull (Year 6 teacher) and I were very fortunate to attend a Leadership Conference with eleven of our Year 6 students. The conference was held at the World Trade Centre with hundreds of other students in attendance, from Government & Independent schools across Victoria. The program for the day enabled students to build their understanding of leadership styles, look at different ways of leading and explore the elements of working in a team. Our students were enthusiastic participants in all aspects of the program and they were wonderful ambassadors for the school in such a large scale forum. I would like to commend the efforts of the following students who attended.

Lachlan Bate, Eleni Kagioglou, Alyssa Petronio, Britney Vega, Nathan Bourtzis, Amy Eriksson, Sara O’Hanlon, Zane Banjanin, Olivia Clay, Adam Durso & William Humphries.

Sincere thanks also to Melissa Bull who planned all aspects of this important leadership opportunity for our students.

RETIREMENT - LYNLEY WALTERS

After almost 20 years at Willy North, one of our highly respected teachers has decided it’s time to begin the next exciting stage of her life and has indicated that she will retire at the end of this term. Lynley Walters has undertaken many roles during her time with us; she is currently in the position of Reading Recovery teacher. I know Lynley has had a positively profound impact on the lives of many students in her current role and over the years she has helped shape the lives of many students to ensure their success at school. Lynley has been a highly professional and dedicated teacher and will be sadly missed at Willy North.

We have a formal retirement function planned for Lynley next Tuesday evening, however I know many parents and students will want to express their personal thanks to Lynley over the next week and to also wish her well in all of her retirement plans. We will farewell Lynley at our final assembly for the term on Thursday 28th March.

FINAL WEEK OF TERM 1

It’s hard to believe that next week is the final week of Term One. Please note the following arrangements:

Normal assembly arrangements on Monday 25th March at 2:50pm in the Gym.

A final End of Term assembly at approx. 2:15pm in the Gym on Thursday 28th March.

All students will be dismissed at 2:30pm on Thursday 28th March to begin their Term One holiday break. The school will be closed on Friday 29th March for the Good Friday holiday.

School resumes for Term 2 on Monday 15th April.
Casual Clothes Day
Next Tuesday 26th March has been designated as a Casual Clothes Day for students in support of this year’s Good Friday Appeal for the Royal Children’s Hospital. We ask that all students who come in casual clothes bring along a Gold Coin donation in support of this very worthy cause.

SOMERS CAMP
Eight of our Year 6 students are currently attending a regional camping program at Somers with over a hundred students from other local schools. This is a unique nine day camping experience exclusively tailored to senior students across the state. Schools are invited to send small groups of students every two years to participate. The camp aims to bring students together in order to further build their confidence, resilience and connectedness to their peers. This is a wonderful opportunity for these students and I would like to take this opportunity to thank Dean Pearce (Year 5 teacher) for his willingness to attend the camp in support of our students. Maurie Tanian will be teaching Year 5P for the remainder of this Term whilst Dean is on camp.

Enjoy your week

This week’s School Councillor is—Julia Kaye
I am very happy to be elected onto School Council for the first time this year. I have two children at this wonderful school, Adam in Year 1M and Liam in Prep S, as well as two younger children (2.5 and 6 months). I think it’s fair to say that I will be involved with the school for many years to come!

My background is in accounting: I am a Chartered Accountant (with qualifications from the UK and Australia) and I also hold a Masters in Applied Finance. I worked in audit for several years before specialising in Forensic Accounting (quantifying damages in court disputes, and investigating fraud and other financial irregularities). I have worked in the UK and the US, as well as in Sydney and Melbourne, for some of the largest accounting firms in the world.

I am currently a stay at home mother (or, you could say: I work full time, I just don’t get paid for it!), but keep my accounting skills current by volunteering my services in various treasurer/finance roles in the Williamstown community. I expect to be kept very busy on School Council and the Facilities and Finance subcommittee, and look forward to the challenge!
Wielding ‘soft power’ at home

Your parenting authority works well with easy, compliant children but teenagers and demanding kids require some pretty nifty communication skills if you are going to win their co-operation.

Many people ask me: “How do I get my kids to cooperate with me?” This question reflects a frustration that many parents have with their ability to influence their children. It’s also indicative of the changing times in which we live where kids don’t necessarily blindly obey their parents, as they did until a few generations ago.

As a parent you have two sorts of power: positional power and soft power.

**Positional power** is better known as your authority as a parent. Parenting has a huge vocabulary built around ‘positional power’ with terms such as discipline, punishment, child management and behaviour management to name a few.

When I began as a parenting educator 20 years ago the term ‘parenting’ was code for behaviour management. It was mostly about helping parents exert their ‘positional power’.

The second type of power is **soft power** and is mostly about effective communication. It’s about influencing rather than simply exerting your authority over kids. Interestingly, your authority works well with easy, compliant kids but teenagers and demanding kids require some pretty nifty communication skills if you are going to win their cooperation.

Don’t get me wrong. It’s okay to use your positional power. Kids need to know that someone is in charge. They need parents who feel comfortable in their role.

But relying solely on positional power is hard work. A statement directed at you by a child along these lines: “You can’t make me do anything I don’t want to do!” is a challenge to your position as parent.

When positional power fails, which it inevitably will, you can only rely on soft power to influence your kids. Here’s the rub: there is nothing soft about it because it carries significant weight when all else fails!

---

**Here are five ideas to make you less reliant on using positional power and help build your soft power skills:**

1. **Get** your head around the fact that discipline (there’s that positional power thing again) is not about winning and losing, but about teaching kids how to behave and be responsible for their behaviour. The key to successful discipline with adolescents is to speak to them in ways that don’t threaten their need to feel like they are in control.

2. **Choose** a role model who wields soft power well and start to copy their way of speaking and acting with kids.

3. **Talk** about the difference between positional power and soft power with your partner or a friend to help you clarify the differences, as well as find an ally to support you.

4. **Make** soft power your priority for a week and see how it feels to influence rather than brow beat, to mediate rather than negotiate; to use consequences rather than yell when kids don’t cooperate with your way of thinking.

5. **Practice** one skill at a time. Read books, blogs and other resources to help you understand more about soft power; then gradually practice and experiment with new ways of communicating with kids.

Next time you speak to your kids in a potentially tricky or challenging situation check to see if you are using positional power to win the situation or soft power to win the kids over to your way of thinking.

Hopefully, its soft power that you are using to win the day!

**School Banking**

School banking day is **Wednesday**. Don’t forget to send in your child’s bank book.

---

**Student Safety**

Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

---

**Early Release**

All child/ren collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Working With Children Card (WWCC)**

If you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions, or on Camps, you must have a Working With Children Card. Please note that these forms are available from any Australia Post office if you are wishing to apply for a check (note the forms are no longer available from the school). If you have a WWCC provide it to the office staff to be photocopied and a copy place on file. A WWCC remains valid for five years.

Please note, this year, the second group of our parents who received their WWCC in 2008, will need to renew their WWCC in 2013. If you are in this situation, you will receive a ‘Renewal Letter’ from the Department of Justice. As soon as you receive this letter, please complete the process to renew your WWCC. If you don’t, you may be ‘caught out’ when it comes to volunteering to assist with school activities. Please don’t put it aside, act upon it immediately.

**Bikes & Scooters**

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribtic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**
**ART NEWS**

This week’s Artist of the Week Award goes to Alana Scasserra in Year 1S for the fantastic drawing, painting and colouring she used when creating her landscape picture. Well done.

ELEPHANT STALL—FOR THE FETE

White Elephant Stall - Fete

Last chance to look through your garage, book shelves and kids’ toys and pull out some things for the White Elephant Stall. Please bring your items to the green container which is located behind the portables at the rear of the staff car park. For safety reasons, it is best to enter from the school yard, not the car park.

**White Elephant Stall Collection Times:**
Thursday 3.15pm - 4.00pm
Saturday 23rd March - 10.00am-11.30am (enter via the car park as it is not a school day)

To prevent vandalism and theft, donations of goods must be made only when the container is attended; under no circumstances are goods to be left at the container whilst it is unattended.

Please contact Liz Hunter on 0413 284 201 or Leanne Sutton on 0424 221 752 for further information.

Just one blood donation can save three lives. Imagine how many lives you could save if your group donated.

Club Red gives you the opportunity to do something really special and give blood in a group. Over 27,000 blood donations are needed every week and blood has a short shelf life, so regular donations from groups like yours are really important. By joining Club Red, you can make a big difference.

Donating as part of the Club Red program is a great way to build community spirit, and to play a part in community engagement and service programs.
