Dear Parents/Guardians,

To support the Year 5/6 Students in their Shared Inquiry ‘Healthy Bodies, Healthy Minds’, we will be going on an Excursion to the IMAX Theatre and the Melbourne Museum in Week 8 of this term.

At the IMAX Theatre, the students will watch a film about the wonders of the human body. The Human Body takes audiences on a fantastic voyage exploring the complexities of the human body by investigating, in great detail, the myriad of functions the body performs routinely every day. Using innovative filmmaking techniques, combined with the latest medical and scientific imaging, The Human Body shows us the ordinary miracles that keep our bodies running at full steam from dawn ‘til dusk and the extraordinary marvels of life.

After the IMAX Theatre, the students will walk to the Melbourne Museum to have their lunch and observe the great exhibits that the museum has on display, including The Human Body exhibit.
