Sincere thanks to the parents who have already sent through an RSVP for our upcoming Parent Forum on Tuesday 9th August at 7pm. This forum is the next important stage in our Whole School Review process and through this forum we are very eager to ensure our parent community has a strong voice in the future directions of the school.

To assist with the catering on the evening, please RSVP to Williamstown.north.ps@edumail.vic.gov.au by 9am on Monday 8th August.

Please feel very welcome to come along and join in the conversation.

Reading & Writing Together is Magic (RWTIM)

Bookings are now open for this year’s RWTIM which is being held on Thursday 18th August from 6:30pm. This event is a wonderful showcase of our students’ literary talents as they present their completed poetry and writing to our school community. As students will be put into P – 6 groupings on the evening, we need all families who will be attending to book online at www.schoolinterviews.com.au using the event code – 9ta2x - on or before Monday 15th August.

Be sure not to miss out on this very special annual event!

Parent Opinion Survey – Thanks

We’ve had a terrific response to this year’s Parent Opinion Survey with 75% of the surveys returned to date (as opposed to 50% last year). Any final surveys need to be returned to the office no later than 9am tomorrow (Thursday 4th August), so that we can forward these to the Department of Education & Training for collation.

Thank you again to those families that provided valuable feedback via this survey.

Final Call – 2017 Prep Enrolments

Over the next fortnight we will begin working on our staffing profile for 2017. This is a very complex process that will take several months to complete. We will need to determine the intentions of the 13 permanent teachers we currently have on leave, before framing up the number of contracts/positions required for 2017.

To this end, we will begin extensive planning for our 2017 prep classes over the coming weeks. To support this process we would be grateful if all enrolments forms for 2017 could be handed to the main office ASAP. We have our last major tour group occurring today and therefore hope to finalise our 2017 prep numbers shortly after this tour.
Willy North Opening Ceremony

To celebrate the impending Rio Olympics, we will be hosting our own Willy North Olympic Opening Ceremony this Friday morning shortly after 9am (pending weather conditions). Each class has selected a country to represent and will march to the anthem/music of that country. It should be a lot of fun, so fingers crossed we get a sunny morning out on the greenfield in front of the Year 4 building to get into the spirit of the Olympics!!

80’s Social Night

After another long winter’s week, many Willy North parents will be looking forward to a very relaxing and entertaining evening this Friday night at the Williamstown Town Hall as we enjoy our Rewind 80’s night. Doors will open at 7:00pm and participants are asked to have their tickets handy as these are required for entry.

This is not a BYO event. All drinks will be available for purchase at bar prices, including soft drinks. As the bar is cash only, parents are asked to bring along cash in small denominations to help the bar staff on the evening. Of course, one of the highlights of the evening will be the 80’s inspired clothing that is certain to be a very amusing trip down memory lane for many!

Look for more details in the Newsletter and if you have any further queries please don’t hesitate to contact the main office.

Wendy and I look forward to seeing you all there on the night!

Orangutan Adoptions

The Year 1 students are very proud to announce that our school has now officially adopted three Orangutans, thanks to our very successful Orange Day last Term, where we raised $920 to help save these endangered animals. The remainder of the funds were donated to an organisation called OVAID which provides emergency veterinary aid.

So, without further ado, we would like to introduce you to the newest members of Williamstown North Primary School;

Rocky and Rickina were rescued separately, but have formed an extremely close friendship and are now inseparable.

They are both four years old and are living in the Orangutan Emergency Centre, Ketapang, West Kalimantan.

Gokong was rescued when he was just a baby, after a fisherman snatched him from his mother. Gokong is also four years old and is being looked after at the Batu Mbelin Quarantine Centre is Sumatra.

The Year 1s would like to thank everyone for your donations on Orange Day.

What a success!

Crazy Sock Day

Our Junior School Council did a terrific job last Friday organising our Crazy Sock Day in support of the Asylum Seeker Refugee Centre. We filled four garbage bags full of new socks on the day!! The photos below capture some of the fun:

Thank you to all families who very kindly contributed donations last Friday in support of this cause.
An evening of ‘Celebration and Anticipation’

We warmly invite all parents to attend this Community Forum which will be an important stage in our whole school review process.

Every participant at the forum will have the opportunity to share their thoughts on:-

◊ Our School’s Strength,
◊ Our School’s opportunities for Improvement and Development,
◊ The key capabilities we aspire to develop for all Willy North students.

Beverages and nibbles will be provided.

Reminder for the Rewind 80’s Night

Only 2 days to go until the social event of the year! Here are a few reminders for those of you who will be attending:

- **Doors open at 7.00pm.** Please *have your tickets* handy as they are required for entry. Also make a note of your table name (i.e. the person who booked your ticket/s) as this will help to locate your table number.

- **This event is NOT BYO!** All drinks are available for purchase at bar prices, including soft drink. Water bottles will be provided on the night. There will be a drinks menu placed on each table.

- **CASH ONLY BAR** - Please try to *bring small denominations of $* along on the night for purchasing drinks (i.e. $1, $2, $5, $10, $20 notes), as this will make it easier for the bar staff to provide change. No credit cards will be accepted.

- **Don’t forget to bring a glass!** A limited number of plastic wine glasses will be available on the night – however not enough for everyone! It is also much nicer to drink from glass than plastic!

- Have you chosen your outfit yet?? Whilst 80’s clothing is not compulsory, think about how much fun and how entertaining it will be!! There will be prizes for best dressed female and male awarded on the night.

- A photo booth will be set up on the night to add to the merriment

- The festivities will come to a **close at 12 midnight.**

- All tables will be provided with a plastic garbage bag so **assistance to clean up** your table at the end of the night will be greatly appreciated!

We can’t wait to see everyone in their lace headbands, fluoro legwarmers, acid-wash jeans and dancing shoes!!

**School Banking**
School banking day is Wednesday. Don’t forget to send in your child’s bank book.

**Student Safety**
Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

**Early Release**
All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

**Bikes & Scooters**
Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribstic and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that scooters are also not walked through the building.**

**Working With Children Cards**
Cardholders who are required to renew their WWCC will no longer need to go to Australia Post to lodge a paper form and present their current card. Cardholders will go to the WWCC website to complete their renewal application online and, if applying for an Employee Check, pay the fee using a credit card when using the **online renewal process**, cardholders will be notified by SMS, letter or email 28 days before their WWCC is due to expire. **It is important for cardholders to keep their contact details up to date so that they receive this important reminder.**

After receiving a notification, individuals continuing to do child-related work should go to MyCheck on the WWCC website and apply to renew their check. Cardholders will be asked to register with MyCheck if they have not already done so. Once logged in to MyCheck, cardholders will be prompted to confirm or update their personal contact and work details, complete the online form and, if applying for an Employee Check, pay the non-refundable $102.70 fee. **More information:** an FAQ guide to online renewals will be available in 'Publications' under 'Resources' on the WWCC website, or contact the Customer Support Line on 1300 652 879 8.30am – 5.00pm weekdays except public holidays. Protecting personal information

Personal information is any information or combination of information that enables an individual to be identified. Personal information is used by many businesses for legitimate communication. However, this is not always the case, and some personal information can be misused by criminals or inappropriately by marketers.

What is my personal information?

Your personal information may include your:
- full name
- address
- phone numbers
- school
- date of birth
- email address
- username and password
- bank details.

Disclosing personal information online

Many online services require users to provide some personal information in order to use their service. Prior to providing personal information, you should think about what can be done with your personal information and assess whether you are still happy to pass on these details. In addition to inappropriate or illegal use of information, disclosing personal information online can impact your digital reputation.

There are several online activities that you should be aware of that may require a level of disclosure of personal information. These include:
- Shopping: to verify the identity of the purchaser, to process payments or for the delivery of goods.
- Subscribing or registering: a screen name or ID and an email address are often minimum requirements but other requested information may include: age, gender, address, photo, and personal likes or dislikes (a red asterisk (*) generally identifies mandatory fields that are needed to register).
- Competitions, prizes and rewards: often require users to provide extensive personal data, including personal interests and demographic details—these are often used by marketers to promote products and services.
- Online games and virtual worlds: these may require users to register before they can begin to play.

What might happen if I share my personal information online?

Spam, scams, identity theft, and fraud are just some of the more serious issues that you might face if you are sharing personal information online.

What is spam?

Spam is a generic term used to describe electronic ‘junk mail’—unwanted messages sent to your email account or mobile phone. The content of spam messages can vary from promoting products or services to offensive or fraudulent material. Some can also spread computer viruses.

You can reduce the amount of spam that you receive by:
- limiting how often you sharing your email addresses and mobile numbers
- using spam filtering software
- checking terms and conditions when you purchasing products, enter competitions or register for services or email newsletters online
- not agreeing to receive marketing materials
- boosting your online security to limit spam.

More information about spam and how to make a complaint is provided by the Australian Communications and Media Authority (ACMA).

What are cookies?

Cookies are a web browser tool that store information about browsing activity and report this back to the website. Cookies allow websites to remember users and save personal settings. Personal information may be collected and shared using the cookie. To help protect your information, it’s a good practice to delete your cookies on a regular basis.

What is fraud?

Internet-based fraud is when the internet is used to steal information and resources for financial gain. Simple fraud scams can seek money or personal details, while others seek personal information that will be misused to obtain money, resources or information by deceptive means.

What is fraud?
Internet-based fraud is when the internet is used to steal information and resources for financial gain. Simple fraud scams can seek money or personal details, while others seek personal information that will be misused to obtain money, resources or information by deceptive means.

What is identity theft?
Identity theft is a type of fraud that involves stealing money or gaining benefit by one person pretending to be someone else. It can have terrible consequences, both financially and emotionally. Fraud can occur in many ways—from somebody using credit card details illegally to shop online, to having a person’s identity assumed by another to open bank accounts, take out loans and do business illegally, under that name. Sophisticated information gathering tools such as malware and spyware enable fraudsters to gather personal information about the person they target.

What are scams?
Scams are often sent via email but can also be sent by instant messaging and SMS. According to the Australian Competition and Consumer Commission’s (ACCC) SCAMwatch website anyone can fall victim to a scam. Scams succeed because they look like the real thing and scammers manipulate people into responding. Scams can appear to come from authoritative sources, like a well-known bank or mobile phone provider. They may make people fearful that they will miss out on a special offer, or feel ashamed of themselves for refusing to help a person or group in need.

If in doubt about the legitimacy of a website, call the organisation it claims to represent. The SCAMwatch website provides further advice on how to identify and report potential scams.

How can I protect my personal information?
It’s important to understand how personal information is used online and how to protect your information and digital reputation.

The following tips are a great basis for protecting your personal information online:

- Only disclose financial information on secure websites. Look for an address beginning with https:// and a ‘locked’ padlock symbol in the bottom of the screen, which indicates that data is being encrypted.
- If in doubt about the legitimacy of a website, call the organisation it claims to represent. The SCAMwatch website provides further advice on how to identify and report potential scams.
- Banking institutions will never email individuals asking for their user name or password. If you receive an email by an organisation claiming to represent a banking institution report the email to the bank and SCAMwatch. Do not respond and do not click on any links provided.
- Read user agreements and privacy policies. Many organisations use information for marketing purposes and may sell it to other marketing firms. If information is posted on websites that do sell information to marketers, individuals may receive promotional spam emails which can be difficult to stop.
- Understand that information shared online can be permanent—users may not have control over who sees or accesses their personal information. This includes teachers, parents and prospective employers.
- Select passwords carefully. When creating passwords there are some definite dos and don’ts, these include:

  **Do**
  - make it at least eight characters in length
  - combine letters, numbers and upper and lower-case letters
  - change your password regularly.

  **Don’t**
  - use pet names, birthdates, family or friends’ names
  - share passwords with others, even with friends
  - store them on the device.
On Thursday 18th and Friday 19th August, the Library will be the venue for our annual Book Fair. A variety of great books will be available for purchase, providing an excellent opportunity to promote books and reading, as well an opportunity to earn books for our Library from commissions in sales—last year we earned $4,000 worth of quality books for our school!

PREVIEW SESSIONS
Throughout the week of the Book Fair, all classes will have an opportunity to preview the books. Your child will fill out a special Wish List indicating which books they liked the best, along with their prices. This list will help you quickly identify the book/s that your child would like, or, it can be used to place an order if you are unable to attend in person. (Please note that you are under no obligation to purchase from the fair.)
