Principal’s Report

PLAYGROUND LAUNCH

Spring time in Melbourne is always fraught with challenges when trying to organise an event and unfortunately it looks like our playground launch will not be under the clear skies we had hoped for. After several days of rain our grounds are quite sodden and coupled with the very cool conditions we have unfortunately decided to cancel this afternoon’s playground launch. I will forward an SMS to all families to confirm this cancellation.

Students will have access to the new central play zone from tomorrow. Whilst all students will have access to this equipment, the large pyramid will be restricted to only Year 5 and 6 children. We had intended to unveil a plaque as part of this afternoon’s launch to recognise our community’s wonderful support to fund these new playgrounds; however this will be rescheduled to a later date.

How fortunate our students are to be able to utilise some of the best playground equipment which has been sourced from all over the world. Our community should feel proud of this major achievement for the school. The final costs for the installation and construction of the new playgrounds was approximately $350,000 – what a fantastic legacy our students will enjoy for many years as a result of the tireless efforts of our wonderful parent community!

Many thanks also to Julie Noonan and Megan Taylor (parents) who had assisted with the planning of the playground launch.

PARENT OPINION SURVEY

In Term 2 we invited one hundred families to complete the annual Parent Opinion Survey which is a source of data overseen by the Department of Education and Early Childhood Development to essentially determine the level of parent satisfaction within schools across the state. This year we had 72 families complete the survey. Overall the results are very disappointing with most variables showing a negative trend in comparison to previous years. The highest variable on the survey was in the area of student safety which was ranked above the state median. Similarly, classroom behaviour, connectedness to peers and social skills were variables that were ranked more favourably in the second quartile.

Most areas measured on the survey were ranked under the state median and just above the 25th percentile. The lowest ranked variables were the areas of reporting, homework and transitions.

This year we have introduced many changes in these areas and given the feedback from this survey, we will continue to work hard in these areas to ensure we are meeting the needs of our community. You would have noticed from the mid-year reports the increasingly personalised comments made about each child’s learning as a result of past parent feedback. The introduction of the parent eNews every fortnight was another initiative introduced this year to keep...
parents abreast of the classroom program and tips for supporting at home. Similarly, the Homework Policy was updated this year in response to parent feedback.

Please be assured that we are totally committed to continually improving our provision across all operational aspects of the school and we look forward to working closely with parents and students as we forge exemplary practices and standards in everything we undertake.

**SWAP SHOP COORDINATOR**

A huge thank you to Yogada Rafferty, who has very kindly volunteered to coordinate our Uniform Swap Shop. Watch out for details over the coming weeks as we coordinate the new Swap Shop arrangements.

**SPRING/SUMMER CANTEEN MENU**

Within this week’s Newsletter you will find a new Canteen Menu for the spring/summer period. This was also emailed out separately to parents last week. The main changes include the introduction of sushi which will be available on Wednesdays, Thursdays and Fridays (this has already proved to be a big hit with our students!). In addition to the sushi, students will also be able to order hot dogs **on Wednesdays only**.

A big thank you to Julieanne Weir (Canteen Manager) for keeping our Canteen Menu appetising and appealing for our students throughout the year!

**WILLY HIGH VISITORS**

This week we have had the pleasure of hosting several staff from Williamstown High School as part of a shadowing program between the two schools. The visiting WHS teachers have been placed in the Year 5 and 6 area and Japanese program, with the aim of further enhancing teacher knowledge about the standard and nature of the work undertaken by our students in the senior school. Ultimately, as the teachers from our school and WHS liaise more closely over time, we will be able to facilitate an even smoother transition for our students as they move through the middle years of schooling (Years 5 – 8).

**CLOTHING ITEMS FROM SICK BAY**

If your child has been given a piece of clothing from Sick Bay, could the item please be returned once it has been washed. Many items of clothing have been provided to children to change into, but have not been returned.

Parents, if you also have any items of clothing, particularly small shorts and track pants, that no longer fit your child, can you send them to school for use in Sick Bay.

Enjoy your Week
Jim Cahill

**AFTER SCHOOL CARE**

Dear Parents,

OSHClub has a responsibility to keep the children safe and protected at all times. This is especially important when children are outside and need to be protected from the sun. OSHClub supports a Sunsmart policy which means: - No Hat—No Play — No Sunscreen—No Outdoor Play

All children are to wear hats outdoors at all times. If your child keeps their hat in their class room, could parents please supply a spare for their child’s bag, to be sure they have a hat at after school care.

OSHClub will supply sunscreen at the program. Parents need to notify the program if children are allergic to the product. If a child is allergic to the product OSHClub provide, then it is the parent/guardians responsibility to provide the Sunscreen appropriate for their child.

Great to see that most parents have been checking the blue lost property basket, it has actually been getting smaller. Please remember to keep checking.

Thank you- OSHClub Staff

**Lost**

Lost on Tuesday 22nd October near the Butterfly room covered area, one 3cm cowboy boot, red with white design. Was attached like a key chain onto a backpack but the boot and key ring became separated. Sentimental value! If found please call Linda Mezzetti 0401 453 480 or return it to Matteo Mezzetti in Year 3L.
Why finishing 4th beats winning

We all love to see our kids be successful. But maybe it’s their struggles rather than their wins that will set them up for future success.

Everyone wants to win. We want it for ourselves. We want it even more for our kids.

It’s great to see the smile of satisfaction on a child’s face after winning a game, a race or finishing on top of the pile in any endeavour.

Winning feels good. It means they’re doing well. It’s equated with success.

It’s a good habit to develop... or so the theory goes.

But winning is just one part of the story.

Not finishing first carries emotion too, though it’s not necessarily positive.

It’s good for kids to experience disappointment, annoyance and frustration just as it’s good for them to experience positive emotions.

It’s good to learn when you are young that bad feelings happen, but they don’t last. This is a valuable life lesson.

Not winning also teaches kids that there is a link between success and effort. It teaches them that perseverance pays off eventually.

Helping kids to accept setbacks and unpleasant emotions, rather than blocking them out, is the key to building their resilience.

What about the child who never wins?

Some children seem to never win, or hardly ever do. A friend has a child who always seems to have 4th place sewn up in any race – just missing a ribbon – unless he is trying to get into a four person relay team, in which case he finishes 5th.

As a caring parent my friend works hard keeping her son’s chin up year after year. And that’s what she has to do. I suspect her son will learn the value of struggle. But it will pay off in his adult life when he understands that persistence is a fabulous asset.

So if you have a child who continually comes 4th (figuratively as well as literally) here are some strategies you can focus on:

1. Encourage liberally: Stanford University professor Carol Dweck (who has written a great deal on this very topic) encourages parents to use process praises: “You used smart strategies”, “You worked hard on that one”, “You thought long and hard to work that problem out”. She says this helps kids value effort and work for longer-term results.

2. Focus on struggles, not just on victories: Your focus as a parent reveals your values. If you value effort and struggle then you need to be on the lookout for these so you can applaud them. If winning is all you value, then you’ll only focus on that. There is a choice here.

3. Share stories of struggle and overcoming adversity: Whether it’s stories from your own life (kids love to hear about when their parents struggled) or stories from public news and sport, inspire and encourage your kids with the narratives of the struggles of others.

It’s easy as a parent to get caught in the winning trap. We sometimes just get carried along with the hype.

But maybe, just maybe, finishing 4th is better for kids in the long term than always being a winner.
Rosters…
Fresh Fruit Friday (FFF)
The parents on the roster for Fresh Fruit Friday this week **Friday 25th October** are: - Martin Ray, Pamela Fernando, Helen Parker, Larissa Deeth, Mette Nielsen, Michelle Boyall, Gail Chew, Helen Gibbs, Leisha Campbell and Simone Logan.
If you are able to help out weekly, fortnightly or even once a month, please contact Linda Taylor at, taylor.linda.l1@edumail.vic.gov.au. This is a very happy and social group.

Canteen—NEW HELPERS MOST WELCOME
Julieanne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julieanne can be contacted via the General Office. New parents or family members are always needed, so, if you can spare any of your valuable time, it would be greatly appreciated.

Thursday 24th October—Anne Tobin  
Friday 25th October—Leanne Sutton  
Wednesday 30th October—HELP NEEDED  
Thursday 31st October—HELP NEEDED  
Friday 1st November—Majella Snelling & Mel Maskley

Please remember that Lunch Orders are only available on Wednesdays, Thursdays and Fridays.

**No Lunch Orders are available on the Last Day of Each Term.**

Uniform Shop News
Primary School Wear (PSW) is now our official Uniform supplier. For Term 4, they will supply uniform items from the Uniform shop on Monday and Thursday mornings from 8.30am to 9.15am. Alternatively, uniform items can be purchased on-line by visiting www.psw.com.au. Kara Kreis is now employed by PSW, and for all enquiries, please contact Kara on 0413 008 185.

School Banking
School banking day is Wednesday. Don’t forget to send in your child’s bank book.

Student Safety
Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not to talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

Early Release
All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

Bikes & Scooters
Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

Working With Children Checks
As from the 1st July 2013 the process for applying for a Working With Children Check has changed. Due to the continual changes to the forms they are no longer available at School or the Post Office. The only way to apply for a Working With Children Check is online. These forms are available at [http://www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au)

Reminding Parents, if you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions or Camps, you must have a current Working With Children Check. If you have a current WWCC and have **not** provided a copy to the office, please bring your WWCC to the school office, where a copy will be placed on file. Working With Children Checks remain valid for 5 years.

**Movember** is a special time of year, when men's health takes centre stage. The time of year where the moustache comes out from hibernation, and we wear it with pride to support a good cause. Yes it’s a bit of fun, and often Movember is seen just as a bit of a laugh, but beneath the fun lies a meaningful initiative. Movember raises not only money to aid the research and treatment of prostate and testicular cancer, but also raises awareness of the mental and physical battles that males often face, but not acknowledge.

This year at Williamstown North, we are calling out to all Fathers, Grandfathers and Uncles in the school community to join the teachers in the Willy North Mo’s team.

Follow this link to join the Willy North Mo’s - [http://au.movember.com/team/1076753](http://au.movember.com/team/1076753)

Together let’s make a positive impact on the future health of your sons, grandsons and nephews!
Welcome back to Term 4 and what a wonderful way to leap into the term: Bernard Mangakahia joining the Performing Arts program for the week. Bernard weaved his magic through dance and musical experiences that are imbued in Polynesian culture.

The aims of the program are:

- To enable students to actively experience music and dance from another culture.
- To enhance students’ confidence.
- To assist students to learn from each other.
- To assist students to work collaboratively.
- To involve all students and encourage them to believe in their own abilities.

Bernard connects with students in a positive, passionate and encouraging manner. The students’ experiences with, and understandings of, the Polynesia culture are rich, not only through music and dance, but through story telling. Bernard’s poetic descriptions of Polynesian culture engaged students from Prep to Year 6. In essence, the arts based program embodies the value of respecting other cultures with students actively participating in a range of inspirational and visceral experiences:

- Students closed their eyes and listened to the resonating sound of Bernard blowing the ‘shell trumpet’ or conch. Its deep timbral qualities reverberated in their bodies.
- Students participated in body percussion games using complex and fast rhythms. They began slowly and built to an extraordinary pulsating crescendo.
- Students danced gracefully to traditional Polynesian dances juxtaposed against the strong posture dance of the Haka.
- Students were engaged as Bernard shared his cultural narratives - his voice was quiet and gentle and his themes were relevant and interesting.

The program reminds me of the fundamental value of the arts: it lies in the unique contributions it makes to the individual.

I am Fran McCormick, catch you next time.

Artist of the Week

Congratulations to Year 5P who have been awarded the Art Class Award this week. They received the award for showing great creative ideas and outcomes with their mosaic tile pictures. Well done Year 5P!

Darcy Steedman in Prep M received the Artist of the Week Award at Assembly on Monday. She received the award for showing great listening skills, illustrated by her ability to correctly follow instructions and apply attention to detail when constructing and decorating her fantasy mask. Great job Darcy!

Thank you
Julie Kelly,
Visual Arts Teacher.

ICAS Competitions

Congratulations to all students that participated in the recent ICAS English and Mathematics tests. We have received some fantastic results and would like to celebrate the success of our students at next weeks assembly. On Monday 28th October, we will be presenting the Mathematics results. It would be great to see as many parents attend to celebrate your child’s success.

Sarah Nobbs- ICAS Coordinator
A Big Welcome to Tomoyo sensei...

I am very excited to announce that Tomoyo Kono joins us this week as our new Japanese Language Assistant. Tomoyo is a participant in the Assistants to Teachers of Japanese Program (ATJP) that places high calibre volunteer graduates from Japan in Victorian government and non-government schools for between 9-12 months. The program is an initiative of the Department of Education and Early Childhood Development (DEECD) with partner universities in Japan. It supports the Victorian Government's commitment to improve the quality of language programs in Victorian schools. Japanese Language Assistants can share their knowledge of the Japanese language and culture, and provide opportunities for staff and students to increase their fluency in Japanese.

Tomoyo, pictured above with the children from Prep M, will be assisting us in Japanese classes three days a week for the next six months. She will spend the other two days assisting at Williamstown High School. Tomoyo loves origami and is good at cooking, especially Japanese food! A big thank you must go to Emma Trinh (Naima, Prep S) for hosting Tomoyo. Without such generous support, it would not be possible for our school to participate in such a valuable program.

Don’t forget Origami Club...

On most Thursdays at lunchtimes, we run Origami Club in the Japanese Room. The club is alternated weekly between Prep to Year 2 and Year 3 to 6, so that we can plan age appropriate origami models to make. Our "Origami Masters" from Year 6 (Olivia, Teagan, Lucinda, Britney and Isabella, pictured at right) are happy to lend a hand and run mini tutorials for the younger children. With Christmas not far away, there will be lots of seasonal projects to get involved in. Listen out for club announcements during lunch eating time, and come and check it out! All children welcome.
Please donate your old books (children genre) to make the indigenous kids smile. Your old books will help the INDIGENOUS LITERACY FOUNDATION. It will be the best for everyone.

Where to donate?
Donation display box will be placed in the office area.

School Banking Update: Redeem your tokens for a moneybox this year!

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be two new reward items for students to choose from each term.

With exciting new reward items on offer in 2014, please be aware that the Dollarmites moneyboxes will no longer be available next year. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.

In an effort to ensure your child doesn’t miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that they still need to redeem each moneybox for the required 10 tokens.

School Banking - Missing Deposit?

To the parents and carers of our school banking students,

On Wednesday the 11th September we received a School Banking deposit for the amount of $20.00. The deposit slip was not completed by the student and subsequently the account number details were not captured for processing.

If your child deposited $20.00 to their account on Wednesday, could you please present your bank book to the office so that the receipt can be verified and account number details obtained to allow us to process the deposit to your child's account.

Do not hesitate to contact me should you wish to discuss this matter further.

Many thanks

Simonds Catholic College is a unique school. Our small size (500 boys in Years 7-12) means that each boy can be individually known, valued and have a sense of belonging. The excellent facilities mean that we are able to offer a broad and exciting curriculum within the setting of a small school. Our close proximity to St Mary’s Church at West Melbourne, and St Brigid’s Church in Fitzroy North, means that boys are provided with frequent opportunities to reflect, pray and celebrate the Sacraments in an inspiring and historical religious setting. Simonds Catholic College is a member of the Associated Catholic College Interschool Competition.

Simonds Catholic College is currently taking enrolments for Year 7, 2014. You may contact the College for enrolment information on the numbers listed below.

4th Williamstown Sea Scouts

4th Williamstown Sea Scouts has a long tradition of teaching youth about leadership, community service, self-confidence and motivation in a safe and fun learning environment.

We now have a Joey Section for young boys and girls, from 6 to 8 years old. This is the very first link in a path to adventure and fulfillment through Scouting.

A trained Joey Scout Leader guides a Joey Scout Mob of up to 15 boys and girls as they learn to share and care for each other in a social environment. Scouting extends each child's understanding of the world around them, by actively encouraging the Joey Scouts' involvement with that world. Joey Scouts experience the world around themselves, by doing, rather than just being taught. They develop an understanding of the impact of our modern world, and themselves, on the environment. They enjoy visits to special places such as the local fire station or the zoo and visitors to their meetings create more excitement.

Joey Scouts are encouraged to express themselves creatively, through games, stories and craft activities. Building monsters and spaceships from scrap items, growing plants from seedlings, or singing songs together, all develop a strong sense of belonging.

Joey Scouts usually meet on Wednesdays from 6.00pm to 7.00pm in the Scout Hall on the Strand (opposite Stevedore Street).

If you are interested, please contact the Joey Leader Natalia Isaacs, on 0439 383 738.
