EARLY FINISH—1.30PM LAST DAY OF SCHOOL, 20TH DECEMBER
NO CANTEEN LUNCH ORDERS

Principal’s Report

REFLECTIONS OF 2013

As the 2013 academic year draws to an end, we can all look back on a year of many highlights for our students and the school. It has been a highly successful year for the school from a learning perspective with our student achievement data continuing to climb and being at impressive levels in most aspects of literacy and numeracy. To this end, I thank our wonderfully dedicated teachers who work so hard to provide a nurturing and engaging environment for all of our students. This year we have transformed many organisational practices and our teachers are now collaborating extensively at every level of the school to take a more collective responsibility for the learning programs of all students at each level. As a result of a number of trials in 2013, we move into next year with a strong intervention and extension team across every level of the school. Fluid grouping structures will again ensure that students are grouped beyond their home groups so that very targeted teaching unfolds, linked explicitly to student needs. As a Professional Learning Community (PLC), we are very excited about how our structures will become more refined in 2014 to further support student learning.

I thank our School Council for their wonderful support this year and I look forward to working with the new Council in 2014 to chart the policy direction of the school. I congratulate Julie Noonan and more recently Toni Burton, for the new eNews initiative, which have further strengthened our communication structures for every classroom during the year.

I would also like to take this opportunity to also thank our hard working office team; Judy, Belinda and Linda for the wonderful support they provide to students, parents and staff, day in and day out. In a big school like ours, it’s great to know there’s always a welcoming face at the office who can help you out. In addition to the office team, we are also supported by a fantastic team of Education Support Staff who provide sensitive care to all of our students who present with special needs. Thank you to Sue Ongarato and the Education Support team for this fabulous additional support.

When we reflect on the number of major events we have hosted this year, I am truly humbled by the amazing support of our school community. We are so fortunate to have such a supportive group of parents who rally and advocate tirelessly for the school. Because of this support, we are able to immerse our students in such a rich learning environment – my sincere thanks to all parents who have been able to support the school in some way throughout 2013.

And finally, to our terrific students, who make coming to work every day a pleasure. I thank them all for the very positive orientation they have towards their learning and the wonderful respect they have for each other’s differences and talents. As my first full year as Principal of WNPS finishes, I feel very privileged to lead such a dynamic and inclusive learning environment.
**School Concerts**

Our School Concerts last Wednesday and Thursday nights were a fabulous example of what can be achieved when our wonderful school community comes together with such a collective effort. Our students all shone on the stage, giving their personal best to showcase their many talents in the performing arts. They worked superbly in their various groupings and represented themselves and the school so proudly. More importantly, they performed with smiles on their faces and in the most part enjoyed the excitement of dancing and singing on stage in front of a packed audience.

I would like to take this opportunity once again to thank Fran McCormick (Performing Arts) for bringing together two school Concerts of such a high standard. This has been endorsed over the last week from the many emails we received from parents, passing on thanks for facilitating such memorable opportunities for our students. I would also like to pass on special thanks to all of the parents and helpers who very kindly volunteered their time and assistance over the two nights and in the lead up. How fortunate we are to be part of such a supportive school community!

**2014 Staffing**

As you will have noted in last week’s newsletter, we have a very experienced and capable team of teachers in place for 2014. The new teams have already spent half a day planning together this week to ensure everything is in place for the start of next year.

I have had several queries regarding the new Year 3 team structure. Wendy Drayton and Dianna Lane are teachers who work three and four days respectively each week. Annemarie Honeybone (who currently works in Year 2) requested a time fraction change for 2014 for personal reasons with a request to work three days a week next year. As we needed to cover three days a week in the Year 3 area next year, we were delighted when we offered this to Annemarie and she was willing to work across both the classes. This is a great outcome for the school as we are able to minimise the number of teachers needed to cover these classes, thereby promoting further consistency and continuity at this level. If you have any further queries on this matter, don’t hesitate to drop me a line at cahill.jim.a@edumail.vic.gov.au.

**School Grounds/Buildings**

A big thank you to Sue Dicken (Cleaner), Keith Field (Maintenance) and Merryn Kershaw (Gardener) who do a great job keeping our school looking spic and span right throughout the year. We have a big site to manage and we’re very fortunate to have such a dedicated team working in this area.

**Student Reports**

Please note that end of year student reports will be distributed to all students on Thursday 19th December. We hope you find these reports to be an informative summary of your child’s academic progress throughout 2013.

**Important Dates & Times**

Please note that our final assembly for 2013 will be held in the gym at approximately 1.00pm on Friday 20th December. All students will be dismissed from the gym at 1:30pm on Friday 20th December to begin their summer break.

*Book Pack day is on Thursday 23rd January 2014.*
*Term 1 begins for all students on Wednesday 29th January 2014.*

Best wishes to all members of our school community for a blessed Xmas with your families and I hope everyone enjoys the long summer days ahead to rest and relax.

Enjoy your Break!

Jim Cahill
Principal

Just want to remind for parents that the RED bin is now closed.

**Ordering a replacement WWC Check card online**

Following the successful implementation of the online application form in July this year, the Working with Children (WWC) Check Unit plans to launch an online replacement card service later this year. 

**How to use 'MyCheck’**

MyCheck is an easy-to-use online portal that enables Working with Children (WWC) Check applicants and cardholders to manage their check. 

Making a smooth start to secondary school

Getting used to new subjects and new teachers, as well as forming new friendships are just some of the requirements of this period.

Starting secondary school is a time of change and uncertainty, which places new demands on young people. Being at the bottom of the pecking order where they are unsure of the playground hierarchies is just one adjustment that they need to make.

Some kids take these new experiences in their stride but it is natural to experience some difficulty, particularly when it’s accompanied by the potentially unsettling transition from childhood to adolescence. It’s no coincidence that many research projects indicate that children’s learning levels out in the transition year, presumably because the social tasks of adjustment take precedence over academic performance.

It helps to remember the Four P’s to help your young person settle in:

1. **Promote friendships**: The quicker kids form new friendships the sooner they’ll feel comfortable in their secondary school surroundings. Encourage your young person to be open to forming friendships with all sorts of kids, to be accepting of others who may be different to them; to take social risks by joining in activities even though they may feel uncomfortable; and to be friendly, approachable and positive!

2. **Practice patience**: Patience and understanding in the early weeks is essential. Brush up on your listening skills as you help your young person adjust. Talk to your young person about change and reassure them that it is normal to feel unsure or nervous in new circumstances. Let them know that many difficulties they face will be temporary.

3. **Pursue a positive attitude**: Confidence is catching so make sure you see this transition time as an exciting challenge that your child can handle rather than an event to be feared. Ask them about the new subjects or interesting activities they are doing, and try to shift their focus to the positive aspects of school. Discuss settling in issues with the appropriate person such as a year level coordinator, but give your young person time to handle them on their own before seeking help.

4. **Process their day**: Some young people may come home with fairly exaggerated accounts of secondary school and may not always paint a fair picture. They may become sensitive to things that they might have shrugged off in primary school. Listen without judgment and show a real interest in their new school, while providing them with the space they need to get away for a while. Expect some behaviour blowouts as many kids let off steam in the relatively safe and stable environment of a loving family.

If your eldest is starting, then secondary school will be a relatively new experience for you too. It will take some time for you to adjust to the school’s culture and communication methods.

Although secondary schools may seem a little foreign for those used to the relative intimacy of primary schools, one aspect is the same – outcomes for students are maximised when schools and parents work together in the best interests of the student.

One way to support your young person’s school is by actively promoting the school’s values. For instance, if respect is a prominent school value then you can discuss this in relation to the way your young person behaves around friends, relatives and family.

Most importantly, talk up your young person’s new school, rather than talk it down, as kids of all ages take their cues from the most significant adults in their lives – their parents!

Rosters...

Fresh Fruit Friday (FFF)
Thank you to the many dedicated parents that assisted with Fresh Fruit Friday through out the year. **You did a superb job and we hope to see you again next year.**

Canteen—NEW HELPERS MOST WELCOME
Julieanne Weir manages our Canteen and is always very appreciative of the time parents or family members can volunteer to help in the Canteen. Julieanne can be contacted via the General Office. New parents or family members are always needed, so, if you can spare any of your valuable time, it would be greatly appreciated.

Thank you to the parents that assisted in the Canteen throughout the year.

**CANTEEN CLOSED.**

Uniform Shop News
Primary School Wear (PSW) is now our official Uniform supplier. For Term 4, they will supply uniform items from the Uniform shop on Monday and Thursday mornings from 8.30am to 9.15am. Alternatively, uniform items can be purchased on-line by visiting [www.psw.com.au](http://www.psw.com.au). Kara Kreis is now employed by PSW, and for all enquiries, please contact Kara on 0413 008 185.

School Banking
School banking day is Wednesday. Don’t forget to send in your child’s bank book.

Student Safety
Please take the time to regularly remind your child/ren about safety, especially when going to and from school. Here are the important points to mention:

- Do not talk to strangers and never accept a ride from a stranger, or accept lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or to your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that, wherever possible, children should travel to or from school with an adult or with their friends, rather than travel alone.

Early Release
All children collected from school before 3.30pm must be signed out at the Office. Parents will be handed an ‘Early Release Pass’ to hand to the supervising teacher. If a child is signed out at Recess or Lunch time, the Office staff will call the child to the Office and then ensure the Early Release Pass is given to the supervising teacher.

Bikes & Scooters
Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock. All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety. All bikes, scooters, skateboards, ribtics and helmets must be labelled, with your child’s name and class. **Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that Scooters are also not walked through the building.**

Working With Children Checks
As from the 1st July 2013 the process for applying for a Working With Children Check has changed. Due to the continual changes to the forms they are no longer available at School or the Post Office. The only way to apply for a Working With Children Check is online. These forms are available at [http://www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au). Reminding Parents, if you wish to assist in the Canteen, Fresh Fruit Friday, Sport, Swimming, Excursions or Camps, you must have a current Working With Children Check. If you have a current WWCC and have **not** provided a copy to the office, please bring your WWCC to the school office, where a copy will be placed on file. Working With Children Checks remain valid for 5 years.
Commonwealth Bank School Banking Competition
We have a 1st Prize Winner!

You may have read in the newsletter During Term 4, the Commonwealth Bank School Banking program ran a competition where any student banker who made two or more deposits from 21 October to 30 November was automatically entered into a competition to win great prizes.

Williamstown North, we have a 1st Prize Winner!

Congratulations Riley in Year 2L for winning an Apple iPod touch 16GB.

Thank you to all our student bankers for supporting the School Banking program during 2014.

Merry Christmas and a Happy New Year
Design and Technology

To get a better understanding of this unit we made a Paper Mache ventriloquist. Before we started our puppets we had to do a design brief so we knew what we wanted to construct.

The first step to constructing our puppet was to blow up the balloon (the moving piece of the puppet) we needed to Paper Mache the whole balloon so that it had 10-20 layers of newspaper (so that it was strong). The third step of making our puppets was to Paper Mache 1-2 layers of white paper so that the newspaper print would not show through the paint.

Then we had to cut our balloon in half. We then traced the two halves of our balloon on cardboard paper and add tabs that we had to stick down, then subtract half a centimetre (5mm) from the outside sketch so it sat nice and snug inside. Our next step was to attach the two halves together.

After that we had to make hand pieces to move the puppet we also had to make one for the thumb at the bottom. Then our next step was to paint our puppet whatever we liked depending on our design brief, then paint the mouth.

The fifth step was to collect bits and pieces for our body, arms, legs and head. Then we had to make our body (wings, arms, legs and hair etc). Next, we needed to hot glue gun everything together. The final step was to be proud of all our hard work and effort that had gone into this.( get to know your puppet)

By Marley and Allegra from Year 3/4P

NO COUNTER SALES OR LUNCH ORDERS ON THE LAST TWO DAYS OF TERM THURSDAY 19TH & FRIDAY 20TH DECEMBER

Schoolkids Bonus

Helps with education costs. Automatically paid in January and July each year to eligible families and students. There is no need to make a claim.

Important update about the Schoolkids Bonus

As Parliament is yet to pass the legislation to end the Schoolkids Bonus, it will now be paid to eligible families and students in January 2014. Payment of future instalments of the Schoolkids Bonus, including for July 2014, will depend on whether the legislation is passed by Parliament in 2014.

Families and students who receive fortnightly payments will be paid the Schoolkids Bonus from 3 - 17 January 2014. Please wait until after 20 January 2014 to contact us if you haven’t received the Schoolkids Bonus - make sure you check your eligibility first[1].

If you claim Family Tax Benefit as a lump sum at the end of the financial year, you will be paid the Schoolkids Bonus, if you’re eligible, after we assess your claim and after you lodge a tax return.

Eligibility basics

- a parent or carer receiving Family Tax Benefit Part A for a dependent child in primary or secondary education
- a primary or secondary student turning 19 years or younger in the calendar year, who receives certain government payments

Click the link below for further information.

After School Care
Dear parents,
Holidays are almost here. Please remember to log onto oshclub.com.au if you require holiday program care over the school holiday period.
Spotswood holiday program will open on Monday 6th January, 2014. The program is open daily from 7.00am to 6.00pm. Details of the daily program, excursions etc are available on the website oshclub.com.au under Spotswood holiday program.
Aftercare WILL be open early from 1.30pm to accommodate children on Friday 20th December.

Merry Christmas from the Aftercare Team
Leanne

School Crossing
Children, traffic and school holidays.

School holidays are a time to relax, however families need to be extra careful with summer traffic; whether it be here in Williamstown or elsewhere.

We wish the Williamstown North Primary School community a happy and safe summer holiday.

Thank you for all your assistance at the Melbourne Road and Station Road Crossings.

We look forward to ‘blowing the whistle’ for you next year.

Andrea, Vin and Julia

WWW.STAFF.VU.EDU.AU/SPORTSCAMPS  | Ph: (03) 9919 4370
The Year 6 children finished their last Japanese lesson at WNPS in style with our Sushi Celebration. We had some very accomplished sushi chefs amongst us - very impressive! Thanks to Tomoyo sensei, who spent hours behind the scenes chopping ingredients and cooking rice, the children could just turn up and get rolling! The children were surprised at how easy it was to make, and I hope a lot of them will keep their promise to make it again at home! Very best wishes to all of our graduates in their future endeavours.

This term the Year 6 children focused on the story of Sadako and the Thousand Paper Cranes, the true story is of a girl who lived in Hiroshima during the atomic bombing. She developed leukemia from the radiation and attempted to fold one thousand paper cranes to be granted her wish of being cured. The children each made a creative response to the story, including peace posters, researching Sadako’s life timeline, and of course plenty of paper crane folding!

The Year 5 children worked on a special project to share the features of WNPS school life with the children of our sister school in Japan. The children worked individually or in pairs to investigate facets of our school - for example, school uniform, play equipment or canteen. They produced some fantastic reports in an electronic format that they uploaded to their class Blog about our school.

The Year 5 children also finished off with a treat, participating in a traditional Japanese paper dying workshop with Leanne from Kimono House. As you can see from these photos, the children were very engaged, and the results look fantastic!
It has once again been a pleasure teaching Japanese at Willy North this year. I would like to take this opportunity to thank all of the children for their enthusiasm and hard work in Japanese. They make my job so much fun! I’d also like to wish all the children and their families a very Merry Christmas (Merii Kurisumasu!) and a safe and enjoyable holiday. I can’t wait to see you all back again for the 2014 school year in Japanese!

P.S. Hope Santa san makes lots of stops around Williamstown this year!!
Supporters of Williamstown North Primary School

Having grown up in Williamstown, we understand the importance of community and acknowledge the integral role Williamstown North Primary School plays in our wonderful suburb. We are proud to support Williamstown North Primary and in doing so, enable present and future generations to benefit from quality, student-centered education to improve their learning, being and living!
