## Principal's Report

### Parent/Community Helpers Thank You Brekky

We would like to begin this week's newsletter by warmly inviting all parents/community helpers who have assisted throughout 2019 to a Thank You Brekky on Friday 6<sup>th</sup> December at 8:30am in the Butterfly Room. The rich provision for our students in the classroom, on Excursions/Camps, Fresh Fruit Friday, major events such as the Fete, Class Rep program etc – is only made possible by Willy North parents generously donating their time to support the school in so many ways.

We will have a coffee van on site as part of the Thank You Brekky, so please feel very welcome to grab a coffee and some breakfast finger food, as a small token of our thanks for your support this year.

### Incursion/Excursion Payment

At our Finance & Facilities committee meeting last week, a complete breakdown of this year's Incursion/Excursion payment was tabled for School Council endorsement. This system of payment being a one off payment of \$140 at the start of the school year, is carefully utilised by teachers to support the learning programs across all year levels. Our Business Manager, Debbie Dorgan, carefully tracks this expenditure every term, to ensure teams expend all of these funds by the end of the school year. Please be assured that all of these funds for 2019 have now been acquitted and audited, with most teams prudently managing this levy (in most cases within a dollar or two of the total levy). If you ever have any queries about this payment, or any other school charges, please don't hesitate to make contact with the school's main office on 9397 5722.

student phones being 'hacked'. Whilst these matters are not directly school based, they have primarily centred around explicit messages being sent to students from third party sources. Where relevant, police have been contacted and parents have vigilantly set up new phone numbers/accounts for their child.

These matters certainly highlight the need for all parents/carers to remain vigilant in regards to children's mobile phone activity and accounts. Sadly, it may only take one instance of selecting an unknown link to place a child in a situation of potential risk. From the school's perspective, cyber safety is an ongoing part of our digital technologies platform that is incorporated into our programs each year. From a parent perspective, please continue to encourage open dialogue with your child about their mobile phone use. Particularly if they receive a message or email that they are unsure of how to respond to, which may potentially jeopardise their safety or wellbeing.

## Transition Program – Next Stage

Last Friday afternoon, all students participated in the first stage of our Whole School Transition program, whereby students participated in year level assemblies to find out a little more about the year levels they will be transitioning into next year.

On Thursday 28<sup>th</sup> November (tomorrow), all students in Foundation to Year 5 will participate in a whole morning of rotations, to familiarise students with the type of learning programs they will be involved in at their new levels. In most cases, teachers will remain at their current levels for the transition morning, thereby each working with four new groups of upcoming students during the course of the rotations. Through this next stage, we aim to ensure that students become increasingly excited and relaxed about their learning at their new year levels in 2020.

The last stage of the Transition program will occur on Wednesday 18<sup>th</sup> December at 10:30am, whereby students will meet their 2020 teachers with their designated classmates for next year.

On this note, we had the unpleasant situation last year where many parents in Years 1 – 5 came up to the school at this time to look in the windows of the classrooms to see who their child's new teacher was and which other students were in this class. This was extremely unsettling for students and staff. The only parents who should be onsite at this time are the parents of the new Foundation students who have brought their child/ren to the school. All students will bring home a notice after this final stage of our Transition program, confirming who their new teacher is for next year. Whilst we understand that this information is highly anticipated, we seek parents support and understanding on this matter.

## Staff Thank You Lunch

A big thank you to many parents who have made donations at the office over the last fortnight for the staff Thank You Lunch being hosted by parents this Friday. This support and expression of thanks is certainly very much appreciated by our teachers and we are indeed grateful for the many parents who will rally on Friday to put this lunch together.

Further thanks to the many students who have also taken the time to compose a message of thanks for a teacher who has made a difference to them throughout 2019.

How fortunate we all are to be part of such a caring and thoughtful school community!

Enjoy the rest of the week

Jim Cahill—Principal

## Parent/Helpers Thank You Breakfast RSVP

Each year we aim to recognise the wonderful contributions of our parents/helpers by hosting a small Thank You event. For the past two years we have had a special 'Thank You Breakfast' event which was well received by parents/community members. **On Friday 6<sup>th</sup> December at 8:30am**, we will therefore be hosting our fourth 'Thank You Breakfast' for parents/community helpers who have been actively involved in the school throughout the year. We hope that parents/community helpers will find the timing of this event more accessible. There will be barista made coffee available as well as some light refreshments, so we hope you may be able attend so that we may express our thanks for your support. Details for registering your attendance at this breakfast are to Sharon Hunt [hunt.sharon.s@edumail.vic.gov.au](mailto:hunt.sharon.s@edumail.vic.gov.au) by Wednesday 4<sup>th</sup> December. Coffee van tokens will only be distributed to those who have confirmed their attendance, on the morning.

## **African Drumming workshops:**

Next week, students from Foundation to Year 6 will be participating in an African Drumming workshop, to support the Performing Arts program at Williamstown North Primary School. Structured as a memorable journey of West African musical culture, that lets students share in a creative and inclusive learning experience. There will be singing, some dancing and an uplifting vibe! Everyone will be drumming and shaking in unison.

## **DANCEMOB dancing workshops:**

Next week, students from Year 1 to Year 6 will be participating in a dance workshop incursion, to support the Performing Arts program at Williamstown North Primary School. The energetic instructors will lead students through the session, creating an environment which will encourage them to dance, groove, pose, battle off and express themselves with the delivery of different dance styles.

## Working With Children Cards

Cardholders who are required to renew their WWCC will no longer need to go to Australia Post to lodge a paper form and present their current card. Cardholders will go to the WWCC website to complete their renewal application online and, if applying for an Employee Check, pay the fee using a credit card when using the **online renewal process**, cardholders will be notified by SMS, letter or email 28 days before their WWCC is due to expire. It is important for cardholders to keep their contact details up to date so that they receive this important reminder.

After receiving a notification, individuals continuing to do child-related work should go to MyCheck on the WWCC website and apply to renew their check. Cardholders will be asked to register with MyCheck if they have not already done so. Once logged in to MyCheck, cardholders will be prompted to confirm or update their personal contact and work details, complete the online form and, if applying for an Employee Check, pay the non-refundable fee.

**More information:** an FAQ guide to online renewals will be available in 'Publications' under 'Resources' on the WWC website, or contact the Customer Support Line on 1300 652 879 8.30am – 5.00pm weekdays except public holidays.

## School Banking

School banking day is Wednesday.

Don't forget to send in your child's bank book.

## Student Safety

Please take the time to regularly remind your child/ren about safety, especially when going to and from school.

- Do not talk to strangers and never accept a ride, lollies or gifts from a stranger.
- Immediately report any issue or problem you may have when going to or from school, to your mum and dad, or your teacher, the Principal, Assistant Principal or office staff.
- Always get permission from mum or dad before going to play with a friend after school and always let mum and dad know where you will be and what time you will be home.

We advise that wherever possible, children should travel to or from school with an adult or friends, rather than travel alone.

## Bikes & Scooters

Many children ride bikes and scooters to school each day. All bikes and scooters must be locked up in either the Bike or Scooter Enclosure to prevent theft. Please ensure your child has a chain and a lock.

All children who ride a bike or scooter must wear a helmet which is a requirement by the Government. The school regularly reminds all children about wearing helmets for their safety.

All bikes, scooters, skateboards, ribstic and helmets must be labelled, with your child's name and class.

**Children are reminded they must walk their bike, scooter, skateboard or ribstic to and from the school gates. No bikes are to be brought through the school buildings and we request, where possible, that scooters are also not walked through the building.**

## A message from the Coordinator

We have been having a lot of children booked into before and after school care which is fantastic to see! I just need to remind parents to please ensure you are booking your children in as we have had to turn a number of walk ins away due to child to educator ratio. At times we are able to accept walk ins but this is never a guarantee.

If you need to cancel after school care please let us know before 4.00pm if your child will not be attending. Once it gets to 4.00pm and your child is not accounted for and we are unable to contact anyone on their enrolment we need to make a report to the police as per our policy (this is available upon request)
